The marrying man, by the author of 'Cousin Geoffrey'. Harriet Maria Gordon Smythies, 1841      The Marrying Man. A Novel. By the Author of "Cousin Geoffrey" [Mrs. Gordon Smythies]. Harriet Maria Gordon SMYTHIES, 1841      The Married Man Edmund White, 2010-09-08 In Edmund White's most moving novel yet an American living in Paris finds his life transformed by an unexpected love affair Austin Smith is pushing fifty loveless and drifting until one day he meets Julien a much younger married Frenchman In the beginning the lovers only impediments are the comic clashes of culture age and temperament Before long however the past begins to catch up with them In a desperate quest to save health and happiness they move from Venice to Key West from Montreal in the snow to Providence in the rain But it is amid the bleak baking sands of the Sahara that their love is pushed to its ultimate crisis      *The Married Man's Mentor* Lucas Lovibond, 2013-02-05 There is no relation of life in which it is more necessary to cultivate a certain faculty of imagination than in marriage You must accustom yourself to look at things to a certain extent from your wife's point of view Lucas Lovibond A reproduction of a rare 19th century volume on marriage for the 2 3 million grooms that tie the knot each year and the five million husbands in the country Originally written in 1899 and published by Thomas Burleigh in London a rare edition of the 107 year old work was procured by literary historian and author Michelle Lovric This tome has been reproduced with attention to the finer details of its epoch complete with simulated leather casing and a gilded emboss A letter relating the history of Lovric's discovery accompanies the title As Lovric explains What appealed to me most was the way in which the book dealt sensitively and directly with areas that are often blind spots for husbands issues that seem small but which can in fact constitute huge betrayal in the hearts and minds of their wives Lovibond writes on topics ranging from The Honeymoon and The Wife's Purse to The First Baby and Second Marriages On The Choice of a Wife It is a fatal thing to form an impression at first sight whether favorable or reverse and let it run away with you The stupidest women are the most dangerous to the marrying man a lack of ordinary intelligence can never be remedied      The Edinburgh Catholic Magazine, 1837      The Little Republic Karen Harvey, 2012-04-19 This is an open access title available under the terms of a CC BY NC ND 3 0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations The Little Republic examines the relationship between masculinity the household and domestic patriarchy How did men engage with domestic life What did the household mean to men How could they lay claim to domestic authority In reconstructing men's own understandings this volume foregrounds the concept of the house and the associated discourse of oeconomy the practice of managing the economic and moral resources of the household for the maintenance of good order Oeconomy shaped men's engagements with the household and underpinned the patriarchal authority they acquired through the mundane material practices of everyday household management The house also endured as a central component of masculinity providing the grounding for men's self and public identities Indeed the skills and virtues practised by men in

their little republics were tied increasingly closely to a language of public spirited political citizenship The close relationship between men and the domestic in eighteenth century Britain has been obscured by accounts that chart a decline in domestic patriarchy grounded in political patriarchalism and the emergence of a new home characterized by a feminized culture of domesticity The Little Republic shifts the terms of these discussions The eighteenth century house was neither private nor feminized Oeconomy brought together the house and the world and increasingly so primarily through men s authoritative engagement with the household     **Examiner** ,1844     **The Literary Kierkegaard** Eric Ziolkowski,2011-12-31 Eric Ziolkowski s monumental study examines Kierkegaard s whole prolix literature including the pseudonymous and the signed published writings as well as his private journals papers and letters in relation to works by five other literary giants Kierkegaard himself stresses the essentially literary as opposed to the strictly theological or philosophical nature of his writings Uncovering this neglected aspect of Kierkegaard s oeuvre Ziolkowski first considers the notions of aesthetics and the aesthetic as Kierkegaard adapted them then his posture as a poet and his self conception as a weed in literature After taking account of the history of the critical recognition of Kierkegaard as a literary artist Ziolkowski looks at an important characteristic of Kierkegaard s literary craft that has received relatively little attention the manner by which he and his pseudonyms read and quoted other authors Ziolkowski explores the connections between the philosopher s writings and those of other literary masters who directly influenced him such as Aristophanes Cervantes and Shakespeare and those such as Wolfram von Eschenbach and Carlyle who while not direct influences gave paradigmatic expression to some of the same aspects of aesthetic ethical and religious existence that Kierkegaard portrayed A necessary resource for Kierkegaard scholars philosophers and students of religion and literature alike The literary Kierkegaard corrects a significant lack in our understanding of one of the most significant thinkers of the modern era dust jacket     **The Plays** David Herbert Lawrence,2002     The Law Times ,1880     Official Reports of the Debates of the House of Commons of the Dominion of Canada Canada.
