Foundation for Christian Living Dr. Joe Cephus Bingham Sr.,2016-06-07 Jesus tells a story about two homes in Matthew 7 24 27 The narrative helps everybody to understand the difference between Holiness and sinfulness In these Scriptures THE LORD shares a word picture to show the dissimilarity amid unrighteous and righteous The unjust ill advised built upon shifting sand with no thought of digging a foundation He did not consider his future An unshakable truth is seasons changes therefore when the gale winds blew his home failed On the other hand the man of wisdom dug deep until he hit solid stone hence his base and construction stood under all kinds of inclement weather Believers who study pray and go to worship services are building their life on the unyielding pillars of The Gospel However sitting in the wrong Church and receiving inaccurate teaching is just as indiscreet as faulty architect on sinking landscape The strong winds of adversity are sure to come and the structure will collapse Matthew 7 27 Two builders the foolish and wise two results devastation and strength Make the Gospel a lifestyle **Empowered Under God's covering** David Palmer,2013-06-18 Concerned that many

Christians and churches live below their potential David Palmer wrote this book to show how to be empowered under God's covering successfully He provides an illustrated explanation of righteousness one that takes right standing out of the realm of theological concept into a practical applicable hands on understanding of our position in Christ and everyday living He also gives a profound understanding of how Jesus type leadership faith prophecy intercession and gracious words provide a supernatural covering under which believers can grow in grace to their maximum potential without unnecessary hinderances This book contains revelation vital to anyone wanting to live an empowered Christian life or desiring to provide leadership that facilitates the empowering of others **Dealing with Guilt** Dr. Joe Cephus Bingham Sr.,2018-01-12 The authors

purpose for writing this thesis is to show how saints gain power after they repent from the sin of guilt Converts who hold on to guilt will never seize the benefits of admitting it Confessing faults helps saints to understand the advantages of a righteous soul People who hold firm to guilt often criticize others for their shameful way of life The scripture addresses how to recover from indiscretions yet Christians still struggle with many self deceptions They mourn and cleave to condemning faults Followers who allow negative memories to overwhelm an ethical conscious will act out of subversive motives Disheartened motivations ignite blameworthiness and underscore a spirit of doubts **E-Book Invoke A Blessing on Yourself** Invoke A
