Paperback Crush Gabrielle Moss,2018-10-30 For fans of vintage YA a humorous and in depth history of beloved teen literature from the 1980s and 1990s full of trivia and pop culture fun Those pink covers That flimsy paper The nonstop series installments that hooked readers throughout their entire adolescence These were not the serious issue novels of the 1970s nor the blockbuster YA trilogies that arrived in the 2000s Nestled in between were the girl centric teen books of the 80s and 90s short cheap and utterly adored In Paperback Crush author Gabrielle Moss explores the history of this genre with affection and humor highlighting the best known series along with their many diverse knockoffs From friendship clubs and school newspapers to pesky siblings and glamorous beauty queens these stories feature girl protagonists in all their glory Journey back to your younger days a time of girl power nourished by sustained silent reading Let Paperback Crush lead you on a visual tour of nostalgia inducing book covers from the library stacks of the past

*The Goth Bible* Nancy Kilpatrick,2004-10-04 What you don t know about goths could fill a book An artistic culture that revels in the Victorian romantic movement The goth Bible brings to light the traditions and history of all that is goth The goth culture has been one of the most controversial and maligned in media history Presented as homicidal suicidal and socio pathic in the national consciousness goths are coupled with everyone from Marilyn Mason to the murderers of Columbine But this is not who the goths are The goth Bible will help bridge the understanding between goths and non goths From their historical

origins as a Germanic tribe in the sixth century who fought along side the Romans against the Huns to their current incarnation as creatures of the night The goth Bible presents the most complete and broad perspective of this society culled from hundreds of interviews with bands artist designers and goths from all walks of life **Saturday Review** ,1960

**Balkan Vampires** Danilo Trbojević,2025-11-13 Balkan Vampires examines how vampire motifs from Balkan folklore have permeated modern sociocultural and political realms exploring their role in rural traditions and transformation under global influences The book builds on extensive fieldwork conducted in village communities across Serbia the cradle of vampire lore where the author has been able to record numerous stories memories and testimonies of residents The research reveals the vampire not merely as a mythical figure but as a potent symbol in cultural and political discourse The chapters demonstrate that vampire narratives are not just remnants of traditional rural beliefs but are actively engaged in shaping contemporary cultural and social identities The author analyzes the persistence and adaptability of vampire motifs demonstrating their relevance in expressing community fears challenging societal norms and navigating the tensions between local traditions and global influences Drawing on a wealth of ethnographic material the book will be of interest to scholars of anthropology cultural studies folklore demonology history and beyond *American Transcendentalism and Asian Religions* Arthur Versluis,1993-09-16 The first major study since the 1930s of the relationship between American Transcendentalism and Asian religions and the first comprehensive work to include post Civil War Transcendentalists like Samuel Johnson this book is encyclopedic in scope Beginning with the inception of Transcendentalist Orientalism in Europe Versluis covers the entire history of American Transcendentalism into the twentieth century and the profound influence of Orientalism on the movement including its analogues and influences in world religious dialogue He examines what he calls positive Orientalism which recognizes the value and perennial truths in Asian religions and cultures not only in the writings of major figures like Thoreau and Emerson but also in contemporary popular magazines Versluis s exploration of the impact of Transcendentalism on the twentieth century study of comparative religions has ramifications for the study of religious history comparative religion literature politics history and art history Gothic dreams and nightmares Carol Margaret Davison,2024-03-19 Gothic dreams and nightmares is an edited collection on the compelling yet under theorised subject of Gothic dreams and nightmares ranging across more than two centuries of literature the visual arts and twentieth and twenty first century visual media Written by an international group of experts including leading and lesser known scholars it considers its subject in various national cultural and socio historical contexts engaging with questions of philosophy morality rationality consciousness and creativity *Vampires* Aubrey Sherman,2014-07-04 A thrilling treasury of vampire lore Since the seventeenth century people have been frightened mesmerized and fascinated by the terrifying tales of vampires In this book you ll uncover the history and mystery behind these bloodthirsty monsters with folklore mythology and poetry from every tradition in the world From the Bosnian Lampir whose disease ridden corpse spread infection and death throughout villages

**To Be Continued** Hope Apple, Merle L. Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995 Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series *To Be Continued* Second Edition maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles publishers publication dates genre categories annotations and subject terms Among the genre categories that can be found in *To Be Continued* are romance science fiction crime novel horror adventure fantasy humor western war Christian fiction and others

Scientific American, 1960 *Vampires and Zombies* Dorothea Fischer-Hornung, Monika Mueller, 2016-02-02 The undead are very much alive in contemporary entertainment and lore Indeed vampires and zombies have garnered attention in print media cinema and on television The vampire with roots in medieval European folklore and the zombie with origins in Afro Caribbean mythology have both undergone significant transformations in global culture proliferating as deviant representatives of the zeitgeist As this volume demonstrates distribution of vampires and zombies across time and space has revealed these undead figures to carry multiple meanings Of all monsters vampires and zombies seem to be the trendiest the most regularly incarnate of the undead and the monsters most frequently represented in the media and pop culture Moreover both figures have experienced radical reinterpretations If in the past vampires were evil blood sucking exploiters and zombies were brainless victims they now have metamorphosed into kinder and gentler blood sucking vampires and crueler more relentless flesh eating zombies Although the portrayals of both vampires and zombies can be traced back to specific regions and predate mass media the introduction of mass distribution through film and game technologies has significantly modified their depiction over time and in new environments Among other topics contributors discuss zombies in Thai films vampire novels of Mexico and undead avatars in horror videogames This volume with scholars from different national and cultural backgrounds explores the transformations that the vampire and zombie figures undergo when they travel globally and through various media and cultures

**Female Action Heroes** Gladys L. Knight, 2010-06-08 This book offers 25 profiles of some of the most popular female action heroes throughout the history of film television comic books and video games Female action heroes like other fictional characters not only reveal a lot about society but greatly influence individuals in society It is no surprise that the gradual development and increase in the number of female action heroes coincides with societal changes and social movements such as feminism Nor is it a surprise that characteristics of female

action heroes echo the progressive toughening of women and young girls in the media Female Action Heroes A Guide to Women in Comics Video Games Film and Television brings to the forefront the historical representation of women and girls in film television comic books and video games The book includes profiles of 25 of the most popular female action heroes arranged in alphabetical order for easy reference Each chapter includes sections on the hero s origins her power suit weapons abilities and the villains with whom she grapples Most significantly each profile offers an analysis of the hero s story and her impact on popular culture Stage Blood Roxana Stuart,1994 Stuart s study approaches the subject primarily from the viewpoint of literary criticism but also includes production history providing the reader with a useful look at theatre practices Additionally insight is provided into the popular taste and imagination of different periods and cultures as reflected in changing representations of the vampire from the relative innocence of the Romantics to the evolving patterns of sadism misogyny and xenophobia of the end of the century Annotation copyright by Book News Inc Portland OR **The Routledge Companion to Art Deco** Bridget Elliott,Michael Windover,2019-06-25 Scholarly interest in Art Deco has grown rapidly over the past fifty years spanning different academic disciplines This volume provides a guide to the current state of the field of Art Deco research by highlighting past accomplishments and promising new directions Chapters are presented in five sections based on key concepts migration public culture fashion politics and Art Deco s afterlife in heritage restoration and new media The book provides a range of perspectives on and approaches to these issues as well as to the concept of Art Deco itself It highlights the slipperiness of Art Deco yet points to its potential to shed new light on the complexities of modernity
