*The Neighbor* Slavoj Žižek, Eric L. Santner, Kenneth Reinhard, 2013-07-12 In *Civilization and Its Discontents* Freud made abundantly clear what he thought about the biblical injunction first articulated in Leviticus 19:18 and then elaborated in Christian teachings to love one's neighbor as oneself. Let us adopt a naive attitude towards it: he proposed as though we were hearing it for the first time; we shall be unable then to suppress a feeling of surprise and bewilderment. After the horrors of World War II, the Holocaust and Stalinism, Leviticus 19:18 seems even less conceivable but all the more urgent now than Freud imagined. In *The Neighbor*, three of the most significant intellectuals working in psychoanalysis and critical theory collaborate to show how this problem of neighbor love opens questions that are fundamental to ethical inquiry and that suggest a new theological configuration of political theory. Their three extended essays explore today's central historical problem: the persistence of the theological in the political. In *Toward a Political Theology of the Neighbor*, Kenneth Reinhard supplements Carl Schmitt's political theology of the enemy and friend with a political theology of the neighbor based in psychoanalysis. In *Miracles Happen*, Eric L. Santner extends the book's exploration of neighbor love through a bracing reassessment of Benjamin and Rosenzweig. And in an impassioned plea for ethical violence, Slavoj Žižek's *Neighbors and Other Monsters* reconsiders the idea of excess to rehabilitate a positive sense of the inhuman and challenge the influence of Levinas on contemporary ethical thought. A rich and suggestive account of the interplay between love and hate, self and other, personal and political, *The Neighbor* has proven to be a touchstone across the humanities and a crucial text for understanding the persistence of political theology in secular modernity. This new edition contains a new preface by the authors.

*The Neighbors Respond* Antony Polonsky, Joanna B. Michlic, 2009-04-11 *Neighbors* Jan Gross's stunning account of the brutal mass murder of the Jews of Jedwabne by their Polish neighbors was met with international critical acclaim and was a finalist for the National Book Award in the United States. It has also been from the moment of its publication the occasion of intense controversy and painful reckoning. This book captures some of the most important voices in the ensuing debate, including those of residents of Jedwabne itself as well as those of journalists, intellectuals, politicians, Catholic clergy, and historians both within and well beyond Poland's borders. Antony Polonsky and Joanna Michlic introduce the debate, focusing particularly on how *Neighbors* rubbed against difficult old and new issues of Polish social memory and national identity. The editors then present a variety of Polish voices grappling with the role of the massacre and of Polish Jewish relations in Polish history. They include samples of the various strategies used by Polish intellectuals and political elites as they have attempted to deal with their country's dark past to overcome the legacy of the Holocaust and to respond to Gross's book. *The Neighbors Respond* makes the debate over *Neighbors* available to an English-speaking audience and is an excellent tool for bringing the discussion into the classroom. It constitutes an engrossing contribution to modern Jewish history, to our understanding of Polish modern history and identity, and to our bank of Holocaust memory.

*My Neighbor's House* Marja Meijers, 2013 What

do we do with the old pages of Exodus 20 in this current age and time How do we apply them in our daily life It is one thing to say Oh I don t envy my neighbor his house car or wife I don t desire what someone else has But come to think of it what do you desire What are the desires of your heart Are you passionate for the right things What does the Tenth Commandment offer to today s society How can you benefit from its wisdom The message of God s last commandment is both bold and obvious don t be envious of others But that isn t always the easiest thing to do especially with an American media that bombards us with images of size zero celebrities lavish mansions and Louis Vuitton In Marja Meijers s fifth book in the Ten Commandments series you ll learn how to desire meaningful things and apply God s word to everyday life Join Marja as she discovers the spiritual principles behind the Tenth Commandment If you want to deepen your walk in real ways read and DO this book Ron Triggs Lead Pastor Church of the Living Christ Ojai CA I encourage you to read this book at least twice please take more time in a second reading to allow God s Spirit to speak truth deep into your reality Don Coley Administrator CAO Teen Challenge of Southern California Author of A Steward s Journey My Neighbor s House is the fifth book in a series Look for others to follow

*Varieties of Antisemitism* Murray Baumgarten, Peter Kenez, Bruce Allan Thompson, 2009 The essays in this volume articulate the historical ground on which this artistic exploration of the Holocaust and anti-Semitism depends They also elaborate the spectrum that connects them in terms of their historical location and ideological emphases and thus suggest the ways in which they are connected in terms of rhetorical discourse The essays are governed by the sense that anti-Semitism has not been a unitary experience or event Rather it is its varieties that are explored re exactly those aspects that have made it so difficult to grasp and that led to the wide ranging events and murdering methods of the Holocaust Thus the editors eschew the causal explanation of Hitler s Willing Executioners as they seek to provide more nuanced understanding Murray Baumgarten directs the Jewish Studies program at the University of California Santa Cruz Peter Kenez teaches at the University of California Santa Cruz Bruce Thompson is a lecturer in History and Literature at the University of California Santa Cruz

*Year Book* Carnegie Endowment for International Peace, 1923      **Dominicana** , 1905      **The Ambiguous Figure of the Neighbor in Jewish, Christian, and Islamic Texts and Receptions** Marianne Bjelland Kartzow, 2021-09-12

This book examines an undertheorized topic in the study of religion and sacred texts the figure of the neighbor By analyzing and comparing this figure in Jewish Christian and Islamic texts and receptions the chapters explore a conceptual shift from Children of Abraham to Ambiguous Neighbors Through a variety of case studies using diverse methods and material chapters explore the neighbor in these neighboring texts and traditions The figure of the neighbor seems like an innocent topic at the surface It is an everyday phenomenon that everyone has knowledge about and experiences with Still analytically it has a rich and innovative potential Recent interdisciplinary research employs this figure to address issues of cultural diversity gender migration ethnic relationships war and peace environmental challenges and urbanization The neighbor represents the borderline between insider and outsider friend and enemy us and them This ambiguous status makes the neighbor

particularly interesting as an entry point into issues of cultural complexity self definition and identity This volume brings all the intersections of religion ethnicity gender and socio cultural diversity into the same neighborhood paying attention to sacred texts receptions and contemporary communities The Ambiguous Figure of the Neighbor in Jewish Christian and Islamic Texts and Receptions offers a fascinating study of the intersections between Jewish Christian and Islamic text and will be of interest to anyone working on these traditions
