**Legal Challenges to the Far-Right** Natalie Alkiviadou, 2019-11-22 The work considers the international and European obligations of the UK in the realm of challenging the far right and assesses the extent to which it adheres to them It looks at the role of criminal law in tackling hate speech and hate crime and assesses how English law deals with political parties which may deviate from agreed norms and principles such as non discrimination The legal analysis is placed within a contextual framework of far right parties in the United Kingdom and also incorporates a definitional framework in terms of how the law defines themes relevant to challenging the far right such as racial discrimination terrorism and extremism The book presents a valuable guide for students academics and policy makers in the areas of International Human Rights Law Criminal Law Comparative Constitutional Law National Security Law Comparative Politics and Terrorism Studies *Hate Groups and Extremist Organizations in America* Barry J. Balleck, 2019-07-08 This expansive collection of A Z entries offers a compelling look into hate groups in America Focusing on organizations in operation today this resource book for student and general audiences covers numerous hot button issues in politics and culture The Southern Poverty Law Center lists nearly 900 hate groups active in the United States today Some of these such as the KKK have deep roots in American history Others are newer formed in response to policies and shifts in our cultural landscape Often these organizations imply defense of America and political ideals in their names such as Council of Conservative Citizens and American Family Association Some such as White Aryan Resistance and Supreme White Alliance are more direct in their associations Nearly all posit an erosion of rights and values a way of life that is becoming lost to immigrants a diffusion or integration of population and government overstep Many of these groups preach a necessity for violence through either outright or thinly veiled language Membership in these organizations poses another topic for investigation as their ranks are not just anti government or pro gun rights types who seek to defend the Constitution Many are simply citizens who see their ideal for America as under threat by various groups whether ethnic racial or religious This unique reference will allow readers to explore the underlying issues central to understanding them How do these hate groups get started and why do people join *The Wuhan Cover-Up* Robert F. Kennedy Jr., 2023-12-06 RFK Jr exposes the decades of lies Luc Montagnier Nobel laureate From the New York Times Wall Street Journal USA Today and Publishers Weekly bestselling author of The Real Anthony Fauci comes an explosive exposé of

the cover up behind the true origins of COVID 19 Gain of function experiments are often conducted to deliberately develop highly virulent easily transmissible pathogens for the stated purpose of developing preemptive vaccines for animal viruses before they jump to humans More insidious is the dual use nature of this research specifically directed toward bioweapons development The Wuhan Cover Up pulls back the curtain on how the US government's increase in biosecurity spending after the 2001 terror attacks set in motion a plan to transform the National Institute of Allergy and Infectious Diseases NIAID under the direction of Dr Anthony Fauci into a de facto Defense Department agency While Dr Fauci zealously funded and pursued gain of function research concern grew among some scientists and government officials about the potential for accidental or deliberate release of weaponized viruses from labs that might trigger worldwide pandemics A moratorium was placed on this research but true to form Dr Fauci found ways to continue unperturbed outsourcing some of the most controversial experiments offshore to China and providing federal funding to Wuhan Institute of Virology's WIV's leading researchers for gain of function studies in partnership with the Chinese military and the Chinese Communist Party Robert F Kennedy Jr's meticulously researched and rigorously sourced analysis leads readers on a staggering journey to learn about the key enablers and henchmen pushing for gain of function research the economic motives behind gain of function research successfully engineered chimeric viruses that can infect and kill humans the coordinated effort to silence speculation of COVID 19's laboratory genesis the complicity of scientific journals to hide the origins of COVID 19 the role of the Wuhan Institute of Virology in China's biowarfare biodefense program the relationships between US health military and intelligence bureaucracies and scientists and their Chinese counterparts the roles of Bill Gates and Sir Jeremy Farrar in orchestrating a global cover up The Wuhan Cover Up unveils a global conspiracy of epic proportion and lethal consequence **The**

**Transmedia Construction of the Black Panther** Bryan J. Carr, 2022-04-25 In The Transmedia Construction of the Black Panther Long Live the King Bryan J Carr explores and analyzes the evolution of the Black Panther character since his inception in the 1960s across comics film television video games and music The Black Panther Carr argues is the sum of the creative works of countless individuals across various media that have each contributed to the legacy of the first mainstream Black superhero all happening against a backdrop of social and cultural upheaval global political struggle for equality and the long shadow of colonizing Western attitudes The Panther's existence is a complex one that not only illustrates in microcosm those same struggles in the historically white superhero space but also offers a perfect case study for media trends of representation then and now Carr addresses a number of questions Does the Black Panther really represent a powerful counter narrative to long standing regressive attitudes toward Black identity and Africa Who were the key contributors to our understanding of the character And finally how can we use the character to understand the complexities of our modern consolidated media systems Scholars of media studies film and television studies comics studies cultural studies critical race studies and African studies will find this book particularly useful **Hate Speech** Samuel

*The Routledge History of Antisemitism* Mark Weitzman,Robert J. Williams,James Wald,2023-09-04 Antisemitism is a topic on which there is a wide gap between scholarly and popular understanding and as concern over antisemitism has grown so too have the debates over how to understand and combat it This handbook explores its history and manifestations ranging from its origins to the internet Since the Holocaust many in North America and Europe have viewed antisemitism as a historical issue with little current importance However recent events show that antisemitism is not just a matter of historical interest or of concern only to Jews Antisemitism has become a major issue confronting and challenging our world This volume starts with explorations of antisemitism in its many different shapes across time and then proceeds to a geographical perspective covering a broad scope of experiences across different countries and regions The final section discusses the manifestations of antisemitism in its varied cultural and social forms With an international range of contributions across 40 chapters this is an essential volume for all readers of Jewish and non Jewish history alike
