They also present in depth ethnographic case studies that reveal how gentrification and corporate redevelopment in Brooklyn are intimately connected to public communication literacy practices the transformation of motherhood and gender roles notions of historical preservation urban planning and systems of privilege Far from peripheral or irrelevant shop signs say loud and clear that language displayed in public always matters This book is the recipient of the 2021 Norman L and Roselea J Goldberg Prize from Vanderbilt University Press for the best book in the area of art or medicine Blatantly Honest Makaila Nichols, 2016-10-03 Makaila shoots straight about the pressures of growing up in such a highly social climate and offers much needed advice for other teens David Boreanaz actor director producer of film and television Being a teenager today is one of the hardest jobs in the world You have grades to maintain obligations to extra curricular activities and soul crushing pressure to excel at everything so colleges take notice On top of it all you re forced to act as your own public relations manager because thanks to social media every bit of your life is on display No one knows that better than teen model actress and author Makaila Nichols Nichols book Blatantly Honest is filled with peer to peer advice on navigating life as a teen in a world that begs young people to grow up before they re really ready Unlike books for teens written from an adult perspective Blatantly Honest offers real relatable advice based on lessons learned in today s world After all adults today have no experience being a teen in a social climate where peers have immediate constant access to one another Despite her rising fame Nichols has struggled through body image issues dating disasters friendship failures and bullying In this refreshing open and honest book Nichols offers hard earned advice on these tough topics and more It s a daring undertaking to be honest about ourselves Makaila genuinely shares her experiences and it is such a true gift to her peers for them to realize that we all deal with our insecurities Frederique van der Wal supermodel and entrepreneur Makes you feel like you re talking with an older sister or a close friend but this isn t your mother s advice Anna Caltabiano teen author and influencer The Equation for Excellence Arvin Vohra, 2007-11 **Resolved** Robert Litan, 2020-10-06 Adopting a simple education reform to restore civil discourse and transform American society In this era of
