Baker, 2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian

believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year

The Portrait of the Master James Twyman,2012-06-01 St Francis of Assisi is one of the most endearing and human characters of the Middle Ages His influence today is just as strong as 800 years ago when he was founding his Order talking to Popes and carrying the message of peace to the infidel St Francis traveled with the crusaders not to fight the Muslims or even to preach to them but to persuade them and the Christians to make peace and live together in harmony This book focuses around his prayer Lord make me an instrument of thy peace and in a series of charming vignettes it shows how the prayer develops in the course of his pilgrimage through Italy towards the East and an uncertain fate This book reads like an adventure mystery story yet also brings a message of peace love and hope We travel with Francis and Brother Leo from Assisi to Syria meeting fascinating characters and learning life lessons along the way While a certain element of fiction has been added the basic story is true St Francis message is timeless and this book brings him to life as few others have
