

THE OUTSIDERS: DISCUSSION GUIDE #3

Encourage critical thinking and support your students' literary development by asking questions during reading. Here are some questions you can ask your readers to engage them in a discussion.

CHAPTERS 9-10

Comprehension: _____

- How does Ponyboy feel before the rumble?
- There are different greaser gangs that fight together in the rumble. How is Tim Sheppard's gang different from Ponyboy's gang?
- Who is Paul Hadden? What is the connection between him and Garry?
- Which group wins the rumble?
- What are the effects of the injury Ponyboy suffers in the rumble?
- What happens after Gully learns about Johnny's death?

Text Analysis: _____

- Ponyboy understands that in his neighborhood, "young hoods . . . would grow up to be old hoods." However, he doesn't think this will happen to him and Garry. Why doesn't Ponyboy see himself as a "hood"? Why is Ponyboy certain that neither he nor Garry will become hoods?
- A **theme** is a universal message explored throughout a work of literature. How does the fight between Garry and Paul Hadden help to explore the theme of hostility between different social classes?
- An **allusion** is an implied or indirect reference, especially in literature. Johnny's last words to Ponyboy are an allusion. What does he say, and what does he mean by this allusion?

Personal Connection: _____

- Ponyboy doesn't really like fighting and only thinks it's okay in cases of self-defense, but he feels obligated to participate in the rumble anyway. Can you think of a situation in a movie, TV show, or real life where someone didn't want to do something, but did it anyway because they felt like they had to in order to be a good friend? Explain.

Multipurpose Tools for Bible Study Frederick W. Danker, 1993 This book grew out of classroom experience and demand for a textbook that would aid students in the selection of basic resources for biblical study and at the same time provide some guidance in the use of such tools Beyond the classroom the book served as a refresher course for ministers and it provided specialists a shortcut to information beyond their own areas of research These practical objectives remained undiminished in the preparation of the present edition *Worlds Apart* Patrick Dias, Aviva Freedman, Peter Medway, Anthony Par, 2013-06-17 *Worlds Apart* Acting and Writing in Academic and Workplace Contexts offers a unique examination of writing as it is applied and used in academic and workplace settings Based on a 7 year multi site comparative study of writing in different university

courses and matched workplaces this volume presents new perspectives on how writing functions within the activities of various disciplines law and public administration courses and government institutions management courses and financial institutions social work courses and social work agencies and architecture courses and architecture practice Using detailed ethnography the authors make comparisons between the two types of settings through an understanding of how writing is operative within the particularities of these settings Although the research was initially established to further understanding of the relationships between writing in academic and workplace settings it has evolved to examining writing as it is embedded in both types of settings where social relationships available tools and historical cultural temporal and physical location are all implicated in complex ways in the decisions people make as writers Readers of this volume will discover that the uniqueness of each setting makes salient different aspects of writers and writing resulting in complex and potentially unsettling implications for writing theory and the teaching of writing
