The Panic Zone:

The Panic Zone Rick Mofina, 2012-11-15 A car crashes in Wyoming A young mother is thrown clear of the devastating crash Dazed she sees a figure pull her son from the flames Or does she The police believe it s trauma playing tricks on the mind until the woman hears a voice on the phone Your baby is alive A bomb explodes in Rio de Janeiro The heinous act kills ten people including two journalists Jack Gannon s assignment is to find out whether his colleagues were innocent victims or targets who got too close to a huge story A Caribbean cruise ends in horror Doctors are desperate to identify the cause of a passenger s agonizing death They turn to the world s top scientists who fear that someone has resurrected their secret research Research that is now being used as a deadly weapon With millions of lives at stake experts work frantically against time And as an anguished mother searches for her child and Jack Gannon pursues the truth an unstoppable force hurls them all into the panic zone

TalkRx Neha Sangwan, M.D., 2016-05-03 Do you say yes when you really mean no Do you avoid conflict at all costs Are you waiting for someone in your life to change in order to get what you want If so you re not alone Most people will do anything to avoid the unpleasant sensations that accompany having an honest exchange even if it s as simple as declining an invitation But not speaking directly in the short term results in a much bigger problem long term hurt feelings and passive aggressive patterns that stress us out keep us up at night and literally make us sick You might be thinking Communication I know how to communicate Don t be fooled Communication is simple but it s not always easy Many of us learn from an early age to be guarded about what and how we share with others Few of us know how to pay attention to our body thoughts emotions and values in order to speak from the heart In this book Neha Sangwan M D reveals practical yet profound communication tools that will strengthen your relationships reduce your stress improve your health and even save you time Having treated thousands of patients in one of the nation s largest hospital systems Doctor Neha discovered a theme her patients inability to communicate often played an underlying role in their illness and how well they were able to recover Once she understood this correlation she was inspired to create the simple five step process you ll learn in this book TalkRx will lead you step by step to listen to your body s signals to better manage stress create new outcomes with even the most challenging personalities in your life articulate your frustration and disappointment effectively talk to people instead of about them make agreements that stick and more

The Stop Doing List Matt Malouf, 2017-02-13 Learn what not to do to grow your business The Stop Doing List gets you off the treadmill of unproductive frenetic activity and sets you on the path toward growth Running a business has never been easy but today s nonstop 24 7 365 world makes moving forward more difficult than ever before Plenty of resources can show you how to make lists create schedules and manage your time but they all seem to expect your time to be 100 per cent devoted to work not only is that no way to live it s no way to grow Instead try doing less This book shows you how to stop wasting energy on tasks that don t move you closer to your goals so you can focus on the things that do You ll identify your own Stop Doing list and learn a systematic and practical way to

eliminate automate or delegate these tasks so they never end up on your To Do list again You ll discover your personal path to business success develop a winning mindset and forever change the way you run your company and along the way you ll gain the freedom energy and time you need to take back your life Author Matt Malouf has helped businesses around the globe from 20M corporations to start ups achieve their growth objectives Now he shares his proven strategies with you it s not about doing more it s about doing what matters Find your inner genius and use it to grow your business Switch your mindset to one of success Attract train and retain the people you need Make lasting changes to the way you think about your business If it seems like the more you do the less you achieve it s time to stop and breathe Get smarter about growth and start developing The Stop Doing List *Training Reinforcement* Anthonie Wurth,Kees Wurth,2018-06-21 A proven framework to fill the gap between knowing and doing Training Reinforcement offers expert guidance for more effective training outcomes Last year US companies spent over 165 Billion on training while many training programs themselves provide valuable skills and concepts even the best designed programs are ineffective because the learned behaviors are not reinforced Without reinforcement learned information gets shuffled to the back of the mind in the nice to know file never again to see the light of day This book bridges the canyon between learning and doing by providing solid reinforcement strategies Written by a former Olympic athlete and corporate training guru this methodology works with human behavior rather than against it you ll learn where traditional training methods fail and how to fill those gaps with proven techniques that help training stick There s a difference between telling and teaching and that difference is reinforcement Learned skills and behaviors cannot be truly effective until they are engrained and they can only become engrained through use encouragement and measureable progress This book provides a robust reinforcement framework that adds long term value to any training program Close the 5 Reinforcement Gaps and master the 3 Phases for results Create friction and direction while providing the perfect Push Pull Follow the Reinforcement Flow to maintain consistency and effectiveness Create measureable behavior change by placing the participant central to the process Reinforcing training means more than simple repetition and reminders and effective reinforcement requires a careful balance of independence and oversight Training Reinforcement provides a ready made blueprint with proven results giving trainers and managers an invaluable resource for leading behavioral change **Coming Back** J.
