The Mill on the Floss George Eliot,2020-09-21 I first read *The Mill on the Floss* when I was 17 years old I couldn t put it down read for 14 hours straight However many years later I did not remember much about the book at all only that I loved it Now after all these years I see why George Eliot is better at describing our innermost thoughts and feelings than any author I have ever read Why do we read books A good story is always entertaining but more importantly I think we read to gain new insights and to hear our own insights expressed more succinctly and beautifully than we could ever imagine doing ourselves *The Mill on the Floss* starts off almost as a comedy her dry wit at least for me is laugh out loud funny at times It becomes increasingly more serious in tone and story line until the amazing ending Take your time when you read Eliot if you can Savor every exquisite word and insight Her gift in writing about the human condition was unparalleled
