Statistics in the Public Interest Alicia L. Carriquiry, Judith M. Tanur, William F. Eddy, 2022-04-22 This edited volume surveys a variety of topics in statistics and the social sciences in memory of the late Stephen Fienberg The book collects submissions from a wide range of contemporary authors to explore the fields in which Fienberg made significant contributions including contingency tables and log linear models privacy and confidentiality forensics and the law the decennial census and other surveys the National Academies Bayesian theory and methods causal inference and causes of effects mixed membership models and computing and machine learning Each section begins with an overview of Fienberg's

contributions and continues with chapters by Fienberg's students, colleagues and collaborators exploring recent advances and the current state of research on the topic. In addition, this volume includes a biographical introduction as well as a memorial concluding chapter comprised of entries from Stephen and Joyce Fienberg's close friends, former students, colleagues and other loved ones as well as a photographic tribute. **Aquatic Monocotyledons of North America** Donald H. Les, 2020-05-10 *Aquatic Monocotyledons of North America* brings together information on the natural history, ecology and systematics of North American aquatic monocotyledons. The book is an overview of the biology of major aquatic species by compiling information from numerous sources that lie scattered among the primary literature, herbarium databases and other reference sources. Information on more than 300 species in 87 genera of monocotyledons will be included. Recent phylogenetic analyses will be incorporated. Although focusing specifically on North America, the cosmopolitan distribution of many aquatic plants should make this an attractive text to people working virtually anywhere outside of the region as well.

Management in the Age of Digital Business Complexity Bill McKelvey, Renata Kaminska, Maria Paz Salmador, Nadine Escoffier, 2021-09-07 *Management in the Age of Digital Business Complexity* focuses on how the digital age is changing management and vastly speeding up complexity dynamics. The recent coevolution of technologies has dramatically changed in just a few years how people and firms learn, communicate and behave. Consequently, the process of how firms coevolve and the speed at which they coevolve has been dramatically changed in the digital age and managerial methods are lagging way behind. Combining his own expertise with that of a number of specialist and international co-authors, McKelvey conveys how companies that fall behind digitally can quickly be driven out of business. The book has been created for academics seeking to upgrade management thinking into the modern digital age and vastly improve the change capabilities of firms facing digital oriented competition. **Interior, Environment, and Related Agencies Appropriations for 2018** United States. Congress. House. Committee on Appropriations. Subcommittee on Interior, Environment, and Related Agencies, 2017

Understanding Diversity in Human Behavior and Development in the Social Environment Marquitta S. Dorsey, 2024-10-05 Explore diverse dimensions of human behavior and development with this essential textbook designed specifically for social work students and practitioners. This textbook is an invaluable resource for social work students and new practitioners offering a comprehensive exploration of human behavior and development within the social environment. Practical guidance is provided through the application of various social work lenses and approaches. The book meticulously covers each stage of development from in utero and prenatal through to late adulthood and end of life, offering real world case studies to contextualize developmental content and exploring a range of perspectives in the podcast discussions. Chapter authors, most of whom are actively engaged in clinical practice, provide unique insights into how various environments impact developmental stages. Practical exercises and guidance are designed to promote effective social work practice, ensuring students gain hands-on experience. Expect to benefit from diverse viewpoints and distinctive communication styles that make

the content accessible and engaging for readers from various backgrounds and learning patterns The textbook also includes developmental considerations for social work practice along with a variety of tools and resources to support student learning outcomes for each chapter By incorporating multiple perspectives and expert knowledge this textbook offers a multifaceted approach to understanding human development equipping students with the skills and knowledge needed to succeed in dynamic social work environments

Key Features Experience a textbook that gives voice to traditionally marginalized groups preparing students for inclusive and effective social work practice A clear competency based focus on diversity and social justice that aligns with the Council on Social Work Education s Educational Policy and Accreditation Standards EPAS Benefit from the insights of diverse chapter authors who bring a wealth of clinical expertise and a variety of lived experiences fostering a broader understanding of development Enhance knowledge with a range of pedagogical elements including case studies discussion questions and podcasts catering to both auditory and visual learners Instructors will also have access to an Instructor Manual utilizing chapter highlights micro lectures critical discussion questions and in class activities chapter PowerPoints and a Sample Syllabus with a suggested course schedule
