The Mothers Of Moses:

The Mothers of Moses Alison Southgate, 2014-11-20 In an ancient Egyptian world from a time of abject slavery and oppression of the Israelites emerges a legend of two phenomenal women that history has overlooked The birth of Moses the brief account of the acclaimed leader who eventually led the people of Israel out of bondage under Pharaoh has been retold for centuries This well known tale appears in children s storybooks as a happy event on the River Nile But the women whose courage sacrifice and unending passion that made Moses life possible have been disregarded over time This is their story The Mothers of Moses is a story of true faith of diligent perseverance and of unrelenting courage drawing on the strength of Israel s mighty God From a time in history that records the commands of Pharaoh as he exerts pressure on the Israelites to stem their numbers and that introduces us to Moses simply as the baby drawn from the river we find hidden the tale of The Mothers of Moses Two women from polar ends of the social strata come together and bring into reality a supernatural shift that changed the course of history forever Author Bio Alison Southgate currently lives in the Bahamas with her husband and two daughters Contact Alison at authorsouthgate@gmail.com

Summary of Shannon Bream's The Mothers and Daughters of the Bible Speak Everest Media, 2022-05-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 It can be difficult to keep your mind focused on things above when circumstances here on Earth seem to be specifically aimed at stealing your joy but nothing we encounter in life is without purpose 2 The journey is part of the process What looks like a delay in getting to the good stuff is an inescapable necessary leg of the trip Even Jesus Christ modeled this for us in the book of Matthew when He went through the process of being baptized 3 Before He could begin His public ministry Jesus was sent on a detour that tested all the limits of the human mind and body For weeks Jesus was alone hungry and thirsty and tormented by his enemy the devil 4 The same principle is seen in the lives of the mothers and daughters in this book Their paths may seem wildly off track at times but God has a purpose in each twist and turn even the ones we don t see coming Wives and mothers of the Bible. By the author of 'The choristers of the Bible'.

, 1883 **On the Sovereignty of Mothers** Gil Anidjar, 2024-11-19 Paternal patriarchal and fraternal concepts metaphors and images have long dominated thinking about politics But the political Gil Anidjar argues has always been maternal In a series of finely woven meditations on slavery sovereignty and the social contract this book places mothers and mothering at the crux of political thought Anidjar identifies a maternal sovereignty and a maternal contract showing that without motherhood there could be no constitution preservation or reproduction of collective existence in time And maternal power is also power over life and death as he reveals through a nuanced consideration of abortion Through the concept of the maternal Anidjar offers new insights into abiding sources from the Bible and ancient Greece to classical and modern political philosophy the story of Hagar and Sarah Oedipus and his two mothers Hegel s dialectic of master and slave reinterpreted in light of Black and feminist criticism psychoanalytic theory and autotheoretical reflection Elegantly written and provocative

On the Sovereignty of Mothers offers the maternal as a new frame for understanding the political order The People's Bible Joseph Parker,1901 *A General Index to Parker's People's Bible* Henry P. Page,1901 **Feminist Interpretation of the Bible** Letty M. Russell,1985-01-01 Essays discuss women's role in the church the interpretation of Scripture the use of Biblical materials women in the Bible female sexuality battered women and Biblical authority *Mothers In The Bible* Ola Zaccheus,2020 This book is a synopsis of some mothers in the Bible It is an analysis of different female characters from whom you can learn a lesson or two by reading about their trials and successes *Conceiving Identities* Kathryn M. Kueny,2013-11-01 Explores how medieval Muslim theologians constructed a female gender identity based on an ideal of maternity and how women contested it *Conceiving Identities* explores how medieval Muslim theologians appropriate a woman's reproductive power to construct a female gender identity in which maternity is a central component Through a close analysis of seventh through fourteenth century exegetical works medical treatises legal pronouncements historiographies zoologies and other literary materials this study considers how medieval Muslim scholars map the female reproductive body according to broader cosmological schemes to generate a woman's role as mother By close consideration of folk medicine and magic this book also reveals how medieval women contest the traditional maternal identities imagined for them and thereby reinvent themselves as mothers and Muslims This innovative examination of the discourse and practices surrounding maternity forges new ground as it takes up the historical and epistemic construction of medieval Muslim women's identities **Bible Characters, Volume 1 , Publication** ,1991 *Making Sense of Motherhood* Beth M. Stovell,2016-02-02 Motherhood provides a crucial place for exploring human life and its meaning Within motherhood lies a deep tension between the pain crisis and association with death in motherhood and the joy transformation and life in motherhood Few metaphors in Scripture or in life stand so firmly between life and death love and loss and joy and deep pain After all motherhood's meaning in part comes again and again at these crucial crossroads Thus motherhood has powerful implications for our biblical and theological understanding Bringing together Jewish and ecumenical Christian scholars from North America Oceania and South America this edited volume provides biblical and theological perspectives on understanding motherhood The authors reflect upon a selection of biblical texts systematic theologians and Christian spiritual traditions to dialogue with the experience of maternity in its diverse manifestations The purpose of the book is to provide essays that through these biblical and theological lenses engage the question of motherhood today from the experience of pregnancy and birth to raising children to losing children and coping with grief In this way this volume helps to make sense of the complexity of motherhood *Women in the Qur'an, Traditions, and Interpretation* Barbara Freyer Stowasser,1996-08-22 Islamic ideas about women and their role in society spark considerable debate both in the Western world and in the Islamic world itself Despite the popular attention surrounding Middle Eastern attitudes toward women there has been little systematic study of the statements regarding women in the Qur'an Stowasser fills the void with this study on

the women of Islamic sacred history By telling their stories in Qur an and interpretation she introduces Islamic doctrine and its past and present socio economic and political applications Stowasser establishes the link between the female figure as cultural symbol and Islamic self perceptions from the beginning to the present time Pilgrimage for the Mothers and Widows of Soldiers, Sailors, and Marines of the American Forces Now Interred in the Cemeteries of Europe as Provided by the Act of Congress of March 2, 1929 United States. War Department,1930 Cover title List of mothers and widows of American soldiers sailors and marines entitled to make a pilgrimage to the war cemeteries in Europe *Heavenly Journeys, Earthly Concerns* Brooke Olson Vuckovic,2004-03-01 This book examines how an elite group of traditionalists historians and theologians shaped Muslims perceptions of their prophet their community and their behavior by retelling and interpreting the story of Muhammad s ascent to heaven the mi raj *Devotional Hours with the Bible: From the creation to the crossing of the Red Sea* James Russell Miller,1908 **The Mothers and Daughters of the Bible Speak Workbook** Shannon Bream,2022-11-01 EXPLORE THE INTIMATE CONNECTION BETWEEN FAITH AND FAMILY God uses mothers and daughters in critical roles throughout the Old and New Testaments They are often used to change the course of history but more importantly these female relationships and roles reveal a deeper depth of God s love for and faithfulness to each of us This workbook is based on the 1 New York Times bestseller *The Mothers and Daughters of the Bible Speak* In these nine lessons you will consider the parallels between the relationships experiences and challenges of women in the Bible as mothers and daughters and your own You ll reflect on how God focused on their faith and trust and how He is doing the same with you Each lesson includes four components REFLECT invites you to read key moments of each woman s life in the Bible and connect with her story CONNECT asks you to consider how God in the Old Testament or Jesus in the New Testament responds to each woman and what this discloses about His character and how He responds to you REVEAL provides an opportunity to identify how God works through the woman s relationship responses to God and acts of faith as well as your similar relationships responses and acts of faith PRAY asks you to prayerfully consider how the woman s story and how her relationship ties into the work God is doing in your life right now BONUS SECTIONS MIRACLES where you ll be asked to consider the phenomenal eye witness accounts experienced by mothers and daughters and how those incredible events continue to impact your life today Lessons include Jochebed and Miriam Ruth and Naomi Elizabeth and Mary Rebekah Bathsheba Mary Mother of Jesus Dinah Esther Michal The Mother's Magazine and Family Circle ,1874 **The Mothers and Daughters of the Bible Speak** Shannon Bream,2022-03-29 God always keeps His promises but not always in the way we expect Have faith is a phrase we hear all the time But what does it actually look like to live it out In *The Mothers and Daughters of the Bible Speak* Shannon Bream examines the lives of biblical women to see how God s plans can turn our worlds upside down She tells the story of Jochebed a mother who took enormous risks to protect her son Moses from Pharaoh Could Jochebed have imagined that God s actual design for her son involved flight into exile and danger And yet this was all

part of the master plan to deliver Israel from slavery Another biblical mother Rebekah made terrible choices in an attempt to ensure her son's place in history And a daughter Michal struggled to keep her faithless father Saul from sin while battling pride in herself Through these stories Shannon explains the intimate connection between faith and family and how God's unexpected agenda can redefine the way we think about family Not all of these mothers and daughters in the Bible were paragons of virtue Like us they were human beings who faltered and struggled to do their best While some heard God's voice others chose their own paths Through the lens of their imperfections we can see how God used their stories to bring about His divine plans He's still doing the same work in our lives today The Mothers and Daughters of the Bible Speak shows that faith is more often a twisting road than a straight line Yet as the stories of biblical families attest at the end of these journeys lies greater peace and joy than we could ever imagine Supplemental enhancement PDF accompanies the audiobook
