Sound is an invisible form of energy. We can sense sound. Our sense of hearing helps us be aware of what is going on around us. We often hear a train before we see it. Even in pure darkness, we can hear thunder crashing.

Sound can be a powerful form of communication. Think about a lion roaring. It can stir fear in people all around it. Mothers come running when they hear their children cry out for help. When people think of their favorite song, it often brings a smile to their face.
