Saxton, 2020-09-08 A book lover's guide to embracing beauty sensuality creativity connection wonder and joy in late life The Book of Old Ladies introduces readers to thirty fictional texts featuring women of a certain age who prepare for the journey of aging inhabit the territory and increasingly become their truest selves *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. Internal Revenue Service, 1993 *China's Peasants* Sulamith Heins Potter, Jack M. Potter, 1990-03-29 This landmark study of Zengbu a Cantonese community is the first comprehensive analysis of a rural Chinese society by foreign anthropologists since the Revolution in 1949 Jack and Sulamith Potter examine the revolutionary

experiences of Zengbu's peasant villagers and document the rapid changeover from Maoist to post Maoist China. In particular, they seek to explain the persistence of the deep structure of Chinese culture through thirty years of revolutionary praxis. The authors assess the continuities and changes in rural China moving from the traditional social organization and cultural life of the pre-revolutionary period through the series of large-scale efforts to implement planned social change which characterized Maoism: land reform, collectivization, the Great Leap Forward, and the Cultural Revolution. They examine in detail late Maoist society in 1979-80 and go on to describe and analyse the extraordinary changes of the post-Mao years during which Zengbu was decollectivized and traditional customs and religious practices reappeared. *Dot in the Universe* Lucy

Ellmann, 2008-12-21. It's your worst nightmare instead of being dead you're alive. Dot thinks she's perfect with her blond hair, pointy nose, and pink skin. She lives on the east coast of England with her magnificent hubby cooking him gourmet meals and crashing the car. So one day she decides to End It All. But Dot BLOWS it. After a brief sojourn in the underworld populated by underaged, underdeveloped, underlings, all understated in their undershirts and UNDERSTANDING VERY LITTLE, Dot is reincarnated first as a possum and then as a girl in Ohio. A hilarious and poignant journey through our puny universe, this is a masterpiece of disquiet. Adulthood and Other Fictions Sari Edelstein, 2018-12-06. While the field of childhood studies has blossomed in recent years, few scholars have taken up the question of age more broadly as a lens for reading American literature. *Adulthood and Other Fictions* shows how a diverse array of nineteenth-century writers, thinkers, and artists responded to the rise of chronological age in social and political life. Over the course of the century, age was added to the census, schools were organized around age groups, birthday cards were mass-produced, geriatrics became a medical specialty. *Adulthood and Other Fictions* reads American literature as a rich critical account of this modern culture of age and it examines how our most well-known writers registered and often resisted age expectations, particularly as they applied to women and people of color. More than simply adding age to the list of identity categories that have become de rigueur sites of scholarly attention, *Adulthood and Other Fictions* argues that these other measures of social location—race, gender, sexuality, class—are largely legible through the seemingly more natural and essential identity defined by age. That is, longstanding cultural ideals about maturity and development anchor ideologies of heterosexuality, race, nationalism, and capitalism, and in this sense, age rhetoric serves as one of our most pervasive disciplinary discourses. Writers including Louisa May Alcott, Frederick Douglass, and Henry James anticipated the ageism of our moment, but they also recognized how age norms both structure and limit the lives of individuals at all points on the age continuum. Ultimately, the volume argues for an intersectional understanding of age that challenges the celebration of independence and autonomy imbricated in US fantasies of adulthood and in American identity itself. Household Words Dickens, 1855.
