After planning months for his wedding, he was suddenly left at the altar by his would-be bride. Not that he had much of a problem with it; after all, he didn't love her. But marriage was the only way to win his father's company, and after working his whole life for it, he wasn't about to let it slip through his fingers. So when his close friend Alec suggested he marry an acquaintance of his, Dmitri did not refuse. The only trouble was Alec's friend was beautiful, charming, and a threat to his heart. Book 2 BWWM Secret Baby Marcus wanted to just live his life. His father had many plans for him, including getting him a wife, but Marcus wanted no part of it. Only this time, her name was Claire, and she was the granddaughter of one of the richest men in America. Book 3 BWWM At His Request Natasha thought about all the hard decisions she had made in the last few months as she traveled up the elevator to the thirtieth floor for the second time. Her cold silence had not been easy for her. She had met Lucas Kerry only twice, argued the first time, and made love the second. She didn't know him well, but there was an indisputable attraction there. However, she didn't want to fall into the rich man's trap. She didn't want to slide down that slippery slope of losing her heart to a man who pitied her. Book 4 BWWM The Gold Digger Danny Smith had seen it all in her twenty-eight years of life. Every game a man could play with the lie of love. Just her luck, Danny stopped believing in love long ago. Instead of searching for something that didn't exist, she preferred to enjoy life, getting back at all the men who thought it was fun to break the hearts of her fellow women. If that made her a gold digger, she didn't care. Though the cycle was beginning to wear on her, and she was ready to end the games and simply focus on her writing. But then another cocky, rich gentleman decided to come her way, and she decided one last game wouldn't be so bad as long as she didn't allow her heart to get caught up. Book 5 BWWM Sugar Daddy She was a woman looking to succeed at her dream. Amara's one wish was to attend law school at Yale University. She had even saved up a tremendous amount of money over the years to pay for her education. Sadly, all that money disappeared in a blink of an eye when she had to help pay for her parents' medical bills. After giving up on her dream to go to that school, she receives her acceptance letter. When she confesses her sorrows to her sister, her sister decides to let her into a new society.
