Television Westerns Episode Guide Harris M. Lentz, 1997 Since Hopalong Cassidy and the Lone Ranger blazed their first trails on television in 1949 Westerns have been the genre of choice for 180 series Some Gunsmoke Bonanza and Maverick for example were classics others such as 26 Men and Shotgun Slade were quickly forgotten From Adventures of Briscoe County through Zorro and Son this comprehensive reference work covers all 180 Western series Each entry opens with a listing of the broadcast history of the series including original network day and time This is followed by a listing of the regular cast members and a brief premise of the series The individual episodes are then covered with the title original air date leading guest stars and a brief synopsis given An exhaustive index completes the work

Single Season Sitcoms of the 1990s

Bob Leszczak, 2018-09-14 During the Must See TV 1990s Americans enjoyed such immensely popular sitcoms as Friends Seinfeld Home Improvement and The Drew Carey Show Shows that did not make the ratings cut numbered in the hundreds the emergence of new networks and cable channels airing original programming resulted in a vast increase in short lived sitcoms over the previous decade Some of these flops were actually quite good and deserved a better fate The author revisits them along with the dramedies of the day with detailed entries providing production and broadcast information along with critical analyses and recollections by cast and crew members A subsection highlights sitcoms that returned for an abbreviated second season Dozens of cast and crew photographs are included

The Chicago Guide to Writing about Multivariate Analysis, Second Edition Jane E. Miller, 2013-09-26 Many different people from social scientists to government agencies to business professionals depend on the results of multivariate models to inform their decisions Researchers use these advanced statistical techniques to analyze relationships among multiple variables such as how exercise and weight relate to the risk of heart disease or how unemployment and interest rates affect economic growth Yet despite the widespread need to plainly and effectively explain the results of multivariate analyses to varied audiences few are properly taught this critical skill The Chicago Guide to Writing about Multivariate Analysis is the book researchers turn to when looking for guidance on how to clearly present statistical results and break through the jargon that often clouds writing about applications of statistical analysis This new edition features even more topics and real world examples making it the must have resource for anyone who needs to communicate complex research results For this second edition Jane E Miller includes four new chapters that cover writing about interactions writing about event history analysis writing about multilevel models and the Goldilocks principle for choosing the right size contrast for interpreting results for different variables In addition she has updated or added numerous examples while retaining her clear voice and focus on writers thinking critically about their intended audience and objective Online podcasts templates and an updated study guide will help readers apply skills from the book to their own projects and courses This continues to be the only book that brings together all of the steps involved in

communicating findings based on multivariate analysis finding data creating variables estimating statistical models calculating overall effects organizing ideas designing tables and charts and writing prose in a single volume When aligned with Miller's twelve fundamental principles for quantitative writing this approach will empower readers whether students or experienced researchers to communicate their findings clearly and effectively [Comprehensive Guide To Interpersonal Psychotherapy](#) Myrna M Weissman, John C. Markowitz, Gerald Klerman, 2008-08-01 Since its introduction as a brief empirically validated treatment for depression Interpersonal Psychotherapy has broadened its scope and repertoire to include disorders of behavior and personality as well as disorders of mood Practitioners in today's managed care climate will welcome this encyclopedic reference consolidating the 1984 manual revised with new applications and research results plus studies in process and in promise and an international resource exchange [The CBS Radio Mystery Theater](#) Gordon Payton, Martin Grams, Jr., 2004-02-09 Almost every evening for nine years during the late 1970s and early 1980s the CBS Radio Mystery Theatre brought monsters murderers and mayhem together for an hour Created produced and directed by Himan Brown the series remains a landmark in radio drama This book is a detailed history and episode guide to the show Descriptive information includes exact titles airdates and rebroadcast dates episode numbers cast lists writer and adapter credits and a storyline synopsis This material comes directly from CBS press releases in order to insure complete accuracy Also included wherever possible are information about the actors and actresses quotes from performers and writers many from personal interviews anecdotes about various scripts and sound effects and other notes of interest **Slayers & Vampires: The Complete Uncensored, Unauthorized Oral History of Buffy & Angel** Edward Gross, Mark A. Altman, 2017-09-26 From the bestselling authors of the critically acclaimed two volume series The Fifty Year Mission comes Slayers as well as Angel the tortured vampire with a soul who fought against the apocalyptic forces of evil Now go behind the scenes of these legendary series that ushered in the new Golden Age of Television with the candid recollections of writers creators executives programmers critics and cast members Together they unveil the oftentimes shocking true story of how a failed motion picture became an acclaimed cult television series how that show became a pawn between two networks and the spin off series that was as engaging as everything that came before This is the amazing true story of Buffy and the friends vampires slayers and demons who changed television forever The authors talked to almost 100 writers producers directors filmmakers sociologists and stars from Buffy The Vampire Slayer and Angel in new and vintage interviews from their personal archives among them Joss Whedon Guillermo del Toro Felicia Day Anthony Stewart Head Charisma Carpenter James Marsters David Boreanaz Amy Acker J August Richards Eliza Dushku Christian Kane Julie Benz And More At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **MTV and Teen Pregnancy** Letizia Guglielmo, 2013-05-30 In 2009 16 and Pregnant premiered on MTV closely followed by the spinoffs Teen Mom and Teen Mom 2 Because of their controversial portrayals of teenage mothers the shows have received ongoing media

attention While some argue that the programs could play a factor in reducing the number of teen pregnancies others claim the shows exploit young women and glamorize their situations Among these debates there have been surprisingly few in depth discourses that discuss the roles such shows have on teenage audiences In MTV and Teen Pregnancy Critical Essays on 16 and Pregnant and Teen Mom contributors from a variety of backgrounds and expertise offer potent essays about these programs Divided into four parts the book tackles the controversial representations of teen pregnancy from various disciplines Part I explores gendered social norms and the shows roles as either educational resources or idealized depictions of teenage motherhood Part II prompts readers to consider the intersections of race class gender and the social and cultural power structures often glossed over in these programs Part III focuses on teenage fathers the portrayal of masculinity and good vs bad parents Part IV draws from TV's representations of reality to discuss the impact of these shows on the viewing audience This section includes a narrative from a teen mother who argues that the shows do not accurately reflect the life she leads As the debates about 16 and Pregnant and Teen Mom continue this collection provides a valuable critical discourse to be used both inside and outside the classroom Those engaged in courses on gender and women's studies as well as media studies social work and family and childhood development will find MTV and Teen Pregnancy especially insightful as will those involved in community outreach programs not to mention teens and young mothers themselves

The Big Relief
David Zahl, 2025-04-29 We could all use a little or a lot of relief from the pressures of life And there is no bigger relief than the grace of God Think of grace as one way love A gift with no strings attached Favor when you least expect or deserve it Knowing that you don't have to do anything to earn God's approval In *The Big Relief* popular author David Zahl spotlights grace as the most important urgent and radical contribution Christianity has to offer the world Zahl helps readers understand the beauty and depth of grace outlining how it provides relief from the guilt status anxiety and accelerating demand that characterize so much of modern life Drawing on the witness of Scripture and a panoply of contemporary examples he unpacks the theology of grace in fresh and exciting terms exploring its many fruits such as freedom play surrender humility rest surprise and joy in the process Zahl invites us to embrace Christianity as a refuge rather than as a project a beacon of hope instead of a vehicle of shame and a harbor of refreshment in a worn out world Ultimately he welcomes everyone to receive the gift of relief we so desperately need

Heaven Hears Lindy Boone Michaelis,2013 On June 19 2001 Ryan Corbin grandson of Pat Boone accidentally stepped through a skylight and fell three stories onto a cement floor When he broke through that roof Ryan fell into a very different life from the one he had before as the beloved son of Lindy Boone Michaelis and first grandson of entertainment icon Pat Boone As Ryan lingered between life and death in intensive care at UCLA Medical Center Pat and Lindy decided to take action in a big way they went on Larry King Live shared their faith and asked millions of TV viewers to pray for Ryan And so they prayed Heaven Hears is an unbelievable story of answered prayer and it s not over yet This book will inspire you to look for answers to prayer and to see God s miracles National Library of Medicine Audiovisuals Catalog National Library of Medicine (U.S.),1991

Musings on Parenting Dr. Meenu Sodhi Sharma,2024-09-07 In this book a very humble attempt has been made to discuss the different aspects of parenting which are very essential to ensure that the children grow up to become healthy happy morally and ethically upright strong individuals who are capable of taking their own decisions and choosing their own paths like the author s daughter who opted to become a Judge Parenting has been interestingly compared to a uncharted territory which is akin to venturing into the unknown and also viable solutions for tackling the path of this uncharted territory have been provided by the author which will make parenting like a cake walk if followed in true letter and spirit We all must remember that parenting being a very delicate aspect of life is like walking on the ice if we slip the plot is lost forever Interpretative Phenomenological Analysis Jonathan A. Smith,Paul Flowers,Michael Larkin,2021-12-01

Interpretative phenomenological analysis IPA is a qualitative research approach committed to the examination of how people make sense of their major life experiences This text provides a detailed guide to conducting IPA research presenting the theoretical underpinnings of the approach a comprehensive overview of the stages of an IPA research project and examples of high quality IPA studies Extended worked examples from the authors own studies in health psychological distress and identity illustrate the breadth and depth of IPA research making this book the definitive guide to IPA for students and researchers alike New to this edition A thoroughly updated chapter dedicated to analysis An exemplary mini study Improved and updated terminology A chapter discussing innovations in design data collection and collaboration It is not often I can use accessible and phenomenology in the same sentence but reading the new book Interpretative Phenomenological Analysis certainly provides me the occasion to do so I can say this because these authors provide an engaging and clear introduction to a relatively new analytical approach The Weekly Qualitative Report **Web of the Illuminati** Kevin Tucker,2013-07-24 Since the ancient times dark forces have plotted for control of mankind Their goal is to have a one world religion that

revolves around nature and self worship It will have a one world government led by a dictator who will demand total allegiance to him and his prison planet system If the Illuminati have their way everything is controlled by the state including you Welcome to the New World Order

The Trumping of America Pamela Hines, 2018-08-02 Trump alone is not to blame How does it reflect on North American societal values when wealth trumps humanity selfish individualism trumps compassion the need to be entertained and to win trumps the truth and racism and misogyny are rewarded with the most powerful position in the world The political rise of Donald Trump from the cutthroat Republican primary process to his move to the White House has ushered in a new age of politics in the United States This is a comprehensive analysis of the events surrounding the 2016 presidential election and the unprecedented first year of Donald Trump's presidency Pamela Hines highlights the growing distortion of American democracy which threatens political systems around the world As a Canadian living just across the border Hines provides a unique perspective on the international impact of the election explores the roles of religion racism nationalism and gender bias and critiques the media and its reckless coverage of Trump's ascension The Trump presidency is a wake up call to citizens of the free world Democracy is at risk yet power remains in the hands of the people This assault on democracy can be curtailed only if voters make informed decisions and understand the consequences of their choices while they still have the right to choose

The Palgrave Handbook of Popular Culture as Philosophy Dean A. Kowalski, Chris Lay, Kimberly S. Engels, 2024-04-30 Much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments But works of pop culture are important in their own right they shape worldviews inspire ideas change minds We wouldn't baulk at a book dedicated to examining the philosophy of *The Great Gatsby* or 1984 why aren't *Star Trek* and *Superman* fair game as well After all when produced the former were considered pop culture just as much as the latter This will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field It will be the go to resource for students and researchers in philosophy culture media and communications English and history and will act as a springboard to introduce the reader to the other key literature in the field
