The Journey of Life Henderson Brome, 2007-04 The journey of life from birth to death is a phenomenon that is common to all human beings. It is an experience that transcends all the variables of our existence, such as race, religion, and nationality. How we reach our destination, accomplish our goals, and realize our God-given destiny is contingent upon our ability to navigate the contours of that journey. We can indeed celebrate the blessings and successes, confront the obstacles, and cope with the myriad experiences of life's journey. This book is addressed to all who struggle to meet the challenges of life's journey. Some chapters provide us with powerful and compelling stories of those who, in the face of adversity and disappointment, did not retreat nor surrender but who, through faith, determination, patience, and indefatigable will, were able to triumph over the troubles, trials, temptation, and tribulation of their experience. Other chapters provide the reader with

stories that serve as sign posts that allow one to make the appropriate detours and diversions in order to avoid the pitfalls and potholes of life s journey The content of this book provides us not only with a road map but also with some valuable tools for our survival kit as we traverse the diverse landscape of that journey

Refiner's Fire JB Storm,2021-11-24 Refiner s Fire By JB Storm Just like we refine precious metals by removing impurities to make them strong or gems are formed by intense heat and polished to sparkle we are refined by the challenges we face in life Refiner s Fire is about taking a new perspective and realizing we are in the college of life In life we get mired down and forget that everyone around us has challenges struggles things that can bring us to our knees The scriptures say No unclean thing can dwell with God Taking stories either from our own lives or lives of friends and sharing them to show first no one walks alone or goes through life without challenges and two challenges can be made into stepping stones that lead to our eternal progression or if we so choose can be stumbling blocks that lead us away from our perfect clean self It is our choice that determines which direction we will choose and how we will embrace those challenges The hope is that at least one person benefits from the thoughts that are shared And while some stories are shared several times there is significance each time To a spiritual person thinking about how the Universe affects us through our own mind may help pave the way to better self To a religious person it doesn t matter what faith you walk by there is something upon the pages that may help you
