to 1715

The Unfinished Legacy

Mark Kishlansky
Patrick Geary
Patricia O'Brien

Concise and engaging, *A Brief History of Western Civilization*, Third Edition, brings the study of Western Civilization to life with coverage of a wide array of characters and events. Accessible and well-written, this balanced text fully integrates coverage of social, economic, religious, and cultural history within a traditional, political framework.

Features of the Third Edition include

- ✦ **"Geographical Tours of Europe."** Thematic tours, each accompanied by a map, guide the student around the changing contours of the geography of Western history. See pages 116–120 for example.
- ✦ **"Discovering Western Civilization On-Line."** This end-of-chapter annotated website resource links students to top-rated sites offering additional documents, images, and cultural resources. See page 332 for an example.
- ✦ **Expanded Coverage of Hellenism** recognizes how Hellenism influenced the cultures of the western Mediterranean. See pages 67–72.
- ✦ **Enhanced Map Program.** Detailed annotations accompany both the "Geographical Tours" and the standard maps. More meaningful than standard captions, these annotations help readers understand the significance of each map in a way that no other book does. See pages 199 for an example.
- ✦ **The "Visual Record" Pictorial Chapter Openers.** These full-color images provoke students to think critically about history, and lend visual emphasis to chapter themes. This marriage of vignettes with illustrations allows students to see—in an artifact or a piece of architecture—details that are not immediately apparent. See pages 240–241 for an example.
- ✦ **A Full-Color Timeline.** Free in every new copy of *A Brief History of Western Civilization*, this timeline gives readers a chronological context in which to place their knowledge of Western Civilization.
