9781991093073 **It All Started with a Dog** Graham Matthews,Angela Waghorn,2015-11-28 It s been an honour and privilege to have looked after so many dogs and been introduced to their owners The warm feeling of pleasure when a dog greets us or pulls their owner inside the house is priceless At times I ve felt like I should be paying the owners because of the joy and interest their pets give us When Graham Matthews began walking Nero a trainee guide dog he had no idea how life changing this seemingly simple job would be Once Nero passed on to his advanced training the hole he left behind in Graham s life was immense and so Graham became a dog carer offering a home from home to a wide range of canines from rumbustious rescue dogs to languid labradors When Nero left for his advance training I was so upset that I never took on another guide dog When you ve been up all night with the dog throwing up at both ends cleaning up and lying on the floor saying Daddy wishes he could do it for you well that s not a dog but a family member Nero s legacy lasted long after he had gone and it was an experience I wouldn t have missed for the world It all Started with a Dog is a simple tale of dog walking experiences which are both funny and sad Aimed at all dog lovers it conveys the love and affection that passes between man and dog and shows that a dog really is a man s best friend **Plastic Budgie** Olivia De Zilva,2025-08-26 Olivia De Zilva s Plastic Budgie is a brutally funny and inventive debut about family and self full of itchy Y2K nostalgia curses and glimpses of birds There was no use googling am I cursed because the search engine algorithm would always say yes Olivia was named after a lycra clad singer her parents saw on Rage As a child she lost the ability to speak and spent a year barking like a dog Her Gong Gong bought her a yellow bird in a shoebox from the Adelaide Central Markets Her heart was broken by a guitar teacher after a school disco She started university and learnt to run and travelled to Guangzhou for her cousin s wedding In her brutally funny genre defying debut Olivia De Zilva collects stories on shelves neat coming of age anecdotes and sitcom characters trapped behind glass Then she breaks it all apart Plastic Budgie questions how our memories and families form us in a way that is both unapologetically sentimental and eternally surprising It is full of itchy Y2K nostalgia curses and glimpses of birds Your Service Dog and You Nicola Ferguson,2023-09-07 Service dogs play an important role in society assisting their handlers in leading independent fulfilling lives These amazing dogs are trained to work with a wide range of disabilities from visual impairments to PTSD and come from a variety of breeds and backgrounds Some service dogs are custom bred and trained by large charities while others are rescue dogs of indeterminate breed trained entirely by their owners Disability knows no bounds and can strike anyone at any time leaving us alone scared and confused with many of us wondering how

feasible it would be to integrate a service dog into our lives This is a practical guide written from the perspective of an ordinary dog owner turned service dog trainer following her own need for a service dog It covers everything from service dog breeding and selection how to acquire a service dog basic training and public access work to your dog s eventual retirement Chapters also detail the day to day realities of living with and loving a service dog **999 and other working dogs** ,

Dictionary Russell Grant,2006-11-28 Hundreds of precise definitions to help decode the messages received while sleeping **Vision Impairment** Michael Crossland,2024-02-01 What is it like to go blind 350 million people around the world live with severe vision impairment ranging from those who can see a couple of letters on a sight chart to those who perceive no light at all In this book we meet some of them including artists poets scientists architects politicians broadcasters and musicians Together we discuss every stage of life with vision impairment from childhood and education to dating employment and ageing as well as the portrayal of blind people in literature and film the use of technology by people with vision impairment and the psychological effects of losing vision Vision Impairment also reviews the major causes of sight loss today and shows the effect of these diseases on visual function It surveys new and emerging treatments for serious eye diseases and explores what it is like to have vision restored after decades of being blind Based on Michael Crossland s

extensive work in children s and adults low vision clinics and his 20 years of research into vision impairment the book blends individual stories key research findings and the most recent scientific discoveries to present an informative yet optimistic overview of living with sight loss Praise for Vision Impairment The key strength of this book is how scientific concepts around ophthalmology vision science and sight loss are brought to life by letting patients explain what these concepts mean to them This is not a book that has been written about patients it has been written with them In this sense it is very much original and I enjoyed reading it tremendously Keziah Latham Anglia Ruskin University *The Parliamentary Monitor* ,2001
