

## Course Syllabus

### Course Description

This class will explore and study the definition of life and the processes of life. The main unifying themes include a detailed study of the basic cellular structures and processes of living organisms, as well as detailed investigation of plants and animals, along with their relationship to the environment. Laboratory dissection and fieldwork is required. Careful consideration is given to the creation-evolution debate, as the theories of evolution are compared to the biblical account of the origin of life.

### Curricular Rationale

This course will continue to increase appreciation and love for God as creator through study of His intricate design of life. The basic methods of scientific study and research will be developed more thoroughly. Students will learn extensive biological vocabulary and processes.

### Course Objective

Upon successful completion of this course the student will be able to:

1. Select the problem, hypothesis, data, control, and conclusion of an experiment using a lab format.
2. Recognize and classify living organisms according to their external characteristics and demonstrate in both oral and written responses.
3. Compare the structures and functions of living organisms in a lab setting.
4. Describe the body systems of the organisms using the frog dissection and other dissections.
5. Develop their psychomotor skills in laboratory exercises.
6. Care for and operate the compound microscope through a variety of lab exercises.
7. Make slide preparations properly.
8. Develop dissecting skills through the use of varied preserved specimens.

**American Lumberman**, 1906 The Collected Works Alexandre Dumas, The Older and The Younger Alexandre Dumas, Alexandre Dumas fils, 2023-12-17 The Collected Works of Alexandre Dumas The Older and The Younger offers a treasure trove of narratives defined by adventure, romance, and historical intricacy. This anthology captures the mutable spirit of 19th-century literature, melding the spirited flair of Alexandre Dumas the Elder with the sensitive realism of Dumas fils. Through an array of genres, from swashbuckling historical epics to profound social commentaries, this collection reflects the broader literary concerns of its era, engaging with themes of honor, identity, and the enduring complexity of human relationships. Each entry invites readers to explore complimentary yet distinct literary worlds, painting an expansive picture of their shared legacy. Dumas père and fils are emblematic of French literary history, illuminating diverse dimensions of cultural and social change. Father and son bring forth a dialogue between their respective oeuvres: the elder, a pioneer of the adventure novel, captivates with his vivid storytelling; the younger Dumas delivers introspective explorations of morality and society. Their combined voices echo the literary and cultural movements of Romanticism and Realism as they weave complex narratives that engage with both historical grandeur and intimate human emotion. Readers venturing into this collection will uncover a rich tapestry of narrative diversity, examining multifaceted views of 19th-century life. The interplay of Dumas père's adventurous storytelling and Dumas fils' poignant inquiry into societal mores offers a comprehensive reading experience, making it indispensable for both literary aficionados and newcomers. This compilation not only enriches one's understanding of the Dumas legacy but also serves as a testament to the dynamic interplay between historical inquiry and human insight, ensuring an enlightening journey across time and style. *ALEXANDRE DUMAS: The Three Musketeers Series, The Marie Antoinette Novels, The Count of Monte Cristo, The Valois Trilogy and more (27 Novels in One Volume)* Alexandre
