milestones With this structure public investors are more likely to profit when they invest in a company with high failure risk because they have less valuation risk By offering a better form of capitalism The Fairshare Model is a movement book for our times Prototype to Profit Jason Lye,2021-03-29 Prototype to Profit journeys taking an idea from conception to the marketplace It s intended for scientists engineers and inventors who envision new products or services and seek business guidance Patents fundraising problem solving marketing and partnering are discussed along with examples of how SARS CoV 2 has led to commercial pivots and evolved the way that business is conducted Seasoned entrepreneurs highlight additional business insights via embedded video interviews *The Entrepreneur's Guide to Risk and Decisions* Thomas G.
