The Message Or The Messenger:

Tracing the Literary and Symbolic Significance of the Messenger through History Mohan Gopinath, 2023-11-20 This book is a unique study of how the role of the messenger has changed throughout history starting from ancient times and ending with the person's role today. The chapters include an analysis of the personal characteristics required by a messenger, the dangers they often have to face especially in troubled times and how they have the power to change the course of history because of their functions. The book analyses various types of messengers who were and are still significant and ends by looking at how the role will continue to develop and change taking technological advances into account. The book in short is unusual, captivating and will be of interest to an informed general readership and academics of various disciplines. Of particular interest will be the analysis the book provides of the messengers we send into space in search of life and the potential messengers who will visit our planet in the future.

The Interpretation of The Meaning of The Holy Quran

Volume 63 - Surah Az-Zukhruf Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world, English. For this very reason I have written the interpretation of the Holy Quran in English.

The Messenger Douglas John Hall,2011-06-01 This is a book about the importance of mentors in the lives of the young But rather than developing the theme of mentoring theoretically Douglas John Hall demonstrates its significance quite personally autobiographically In his twentieth year and hoping to study music professionally Hall met a young minister whose different Christianity both surprised and intrigued him In the end this friendship altered the course of his life The book traces the story of this friendship of more than half a century and the impact of the times upon the lives of its two principal figures
