The Minor Prophets Robertson S Notes:

The Minor Prophets J. Glen Taylor, Mark W. Chavalas, Philip S. Johnston, Alan R. Millard, John H. Walton, Daniel M. Master, Victor H. Matthews, Kenneth Hoglund, Andrew E. Hill, 2016-01-12 Many today find the Old Testament a closed book. The cultural issues seem insurmountable and we are easily baffled by that which seems obscure. Furthermore, without knowledge of the ancient culture, we can easily impose our own culture on the text, potentially distorting it. This series invites you to enter the Old Testament with a company of guides/experts that will give new insights into these cherished writings. Features include: Over 2000 photographs, drawings, maps, diagrams, and charts provide a visual feast that breathes fresh life into the text. Passage by passage commentary presents archaeological findings, historical explanations, geographic insights, notes on manners and customs, and more. Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages. Written by an international team of 30 specialists, all top scholars in background studies. Class List Saint Paul Public Library, 1906 **The Expository Times** James Hastings, Ann Wilson Hastings, Edward Hastings, 1896 Class List, 1905 *The Expository Times*, 1894 *Old Testament Commentary Survey* Tremper Longman, 2007 Provides pastors and students with expert guidance on choosing a commentary for any book of the Old Testament. Old Testament Commentary Survey Tremper Longman, III, 2013-04-15 Leading Old Testament scholar Tremper Longman III provides students and pastors with expert guidance on choosing a commentary for any book of the Old Testament. The fifth edition has been updated to assess the most recently published commentaries, providing evaluative comments. Longman lists a number of works available for each book of the Old Testament, gives a brief indication of their emphases and viewpoints, and evaluates them. The result is a balanced, sensible guide for those who preach and teach the Old Testament and need help in choosing the best tools. *Minor Prophets: Hosea through Malachi* Andrew Hill, Richard Patterson, 2016-12-09 These accessible commentaries are for anyone who wants to enter a serious study of God's Word. Each volume guides the reader through the literary and theological issues in the text and provides correlation to multiple numbering systems for word study. This volume includes the entire NLT text of Hosea, Malachi, translation notes, and fresh expository commentary. **The Minor Prophets** John Robertson, 2014-10-13 A study of the Minor Prophets will leave one with a greater reverence and respect for the authorized words of God. As we read these twelve books, we are inserted into the lives of those who made the choice to live lives of righteousness and those who chose sin. Those who did not follow God's word were chastised by God as a father would an unruly child. The Lord punished his erring people by way of droughts, pestilence, sword, and famine. The object of the punishment was to cause the people to feel sorrow over their sins and return to the Lord. The Minor Prophets prove Solomon's words about the consequences of living a life of sin. Those who choose to sin have nothing but a thorny life of troubles. See Proverbs 22:5. Studying the Minor Prophets will bring wisdom to your life so that you will think twice before choosing sin. Christians are thankful to God that he will forgive the meek and lowly that

repents when sin is permitted into one's life The Academy and Literature ,1895 Habakkuk J. Alexander Rutherford,2019-12-20 It is all too common to find commentaries that miss the forest for the trees commentaries that get so caught up in the minutiae of scholarly controversies that they miss what God is saying for His church today This is especially evident when it comes to the book of Habakkuk The Teleioteti Old Testament Commentaries series is an attempt to attain theological depth to pay attention to the forest without neglecting the details of the text without missing the trees To do this a Teleioteti Old Testament Commentary seeks to bring scholarly rigour and thoughtfulness together with faithful attention to the purpose and significance of each book for God's people today It strikes a balance between technicality working through the Hebrew text and its difficulties and practicality applying each major section of the text to contemporary needs Habakkuk is a book that especially needs such an approach After an extensive introduction discussing the significant issues and laying the groundwork for interpreting Habakkuk this commentary walks through the text stanza by stanza and line by line With a balance of theological reflection and exegetical depth a wide variety of readers will find something to take away Habakkuk is a book of discipleship a book written to bring its reader to a deeper faith in Yahweh in the presence of His unthinkable deeds In the midst of oppressive evil at the hands of their Judahite brothers the righteous of Judah cry out to God for salvation His response is the invasion of fearsome Chaldea What appears to be horrid judgment is actually His plan to save those who trust in Him All His people are called to extraordinary faith to believe in Him when His deeds are unbelievable In this way and only this way will they be delivered from their oppressors and enjoy God's blessings only by faith can they have life The Best Books: Class A, Theology.
