The Outsiders Close Reading and Text-Dependent Questions Wendy Conklin, 2014-04-01 Students analyze *The Outsiders* using key skills for college and career readiness Close reading of the text is required to answer text dependent questions Included are student pages with the text dependent questions as well as suggested answers **The Language of Patient Feedback** Paul Baker, Gavin Brookes, Craig Evans, 2019-04-05 *The Language of Patient Feedback* provides a unique insight into a diverse range of issues related to healthcare Through the comprehensive and detailed interrogation of 29 million words of online patient feedback on the NHS in England as well as 11 million words of responses to the feedback from NHS providers this book Uses a combination of computer assisted and human analysis Corpus Assisted Discourse Analysis to examine the extent to which characteristics like age and gender result in different types of evaluation Investigates why nurses doctors dentists and receptionists are associated with very distinct types of feedback Demonstrates the ways that NHS staff respond to comments and what this reveals about underlying institutional ideologies and practices Concludes with suggestions for key recommendations that the NHS could act upon to improve the overall level of care it provides as well as reflecting on what patient evaluation can actually tell us *The Language of Patient Feedback* is key reading for anyone undertaking research within corpus linguistics discourse analysis and health communication **Moral Formation according to Paul** James W. Thompson, 2011-10-01 This fresh treatment of Paul's ethics addresses this question how according to Paul can Christian communities know how God wants them to live Leading biblical scholar James Thompson explains that Paul offers a coherent moral vision based not only on the story of Christ but also on the norms of the law Paul did not live with a sharp dichotomy of law and gospel and recognized the continuing importance of the law Thompson makes a distinctive contribution by locating the roots of Paul's concrete ethical thought in Hellenistic Judaism rather than Hellenistic moral philosophy Students of New Testament ethics and Pauline theology will value this work **Christian Philosophical Theology** Stephen T. Davis, 2006-03-16 *Christian Philosophical Theology* constitutes a Christian philosopher's look at various crucial topics in Christian theology including belief in God the nature of God the Trinity christology the resurrection of Jesus the general resurrection redemption and theological method The book is tightly argued and amounts to a coherent explanation of and case for the Christian world view Although written from a broadly Reformed Protestant perspective and although the author does not avoid controversial topics the aim is to present a merely Christian world view to adapt slightly C S Lewis's famous term That is Stephen T Davis attempts to write as much as possible from the perspective of the broad centre of Christian understanding **Global Justice** James Christensen, 2020-02-01 Do we have moral duties to people in distant parts of the world If so how demanding are these duties And how can they be reconciled with our obligations to fellow citizens Every year millions of people die from poverty related causes while countless others are forced to flee their homes to escape from war and oppression At the same time many of us live comfortably in safe and prosperous

democracies Yet our lives are bound up with those of the poor and dispossessed in multiple ways our clothes are manufactured in Asian sweatshops the oil that fuels our cars is purchased from African and Middle Eastern dictators and our consumer lifestyles generate environmental changes that threaten Bangladeshi peasants with drought and famine These facts force us to re evaluate our conduct and to ask whether we must do more for those who have less Helping students to grapple with big questions surrounding justice human rights and equality this comprehensive yet accessible textbook features chapters on a variety of pressing issues such as Immigration International Trade War and Climate Change Suitable for undergraduate and graduate students alike the book also serves as a philosophical primer for politicians activists and anyone else who cares about justice

Assessment and ESL Barbara Law, Mary Eckes, 2007 The revised and expanded edition of this bestseller is a comprehensive easy to read resource that explores the theory and practice of ESL assessment Written for anyone working with English language learners elementary and secondary mainstream and ESL this new edition of *Assessment and ESL* presents ideas and tools for alternative assessment The authors offer methods of documenting the learning and progress of second language learners learning and progress that may not always be apparent at first glance Like the previous edition the new edition is filled with real stories about students who take baby steps progress in leaps and bounds toward proficiency and eventually learn to fly on their own

War, Peace, and Human Nature Douglas P. Fry, 2015-02 The chapters in this book posit that humans clearly have the capacity to make war but since war is absent in some cultures it cannot be viewed as a human universal And counter to frequent presumption the actual archaeological record reveals the recent emergence of war It does not typify the ancestral type of human society the nomadic forager band and contrary to widespread assumptions there is little support for the idea that war is ancient or an evolved adaptation Views of human nature as inherently warlike stem not from the facts but from cultural views embedded in Western thinking Amazon.com

Difficult Choices Richard C. Bush, 2021-04-13 How Taiwan can overcome internal stresses and the threat from China Taiwan was a poster child for the third wave of global democratization in the 1980s It was the first Chinese society to make the transition to democracy and it did so gradually and peacefully But Taiwan today faces a host of internal issues starting with the aging of society and the resulting intergenerational conflicts over spending priorities China's long term threat to incorporate the island on terms similar to those used for Hong Kong exacerbates the island's home grown problems Taiwan remains heavily dependent on the United States for its security but it must use its own resources to cope with Beijing's constant intimidation and pressure How Taiwan responds to the internal and external challenges it faces and what the United States and other outside powers do to help will determine whether it is able to stand its ground against China's ambitions The book explores the broad range of issues and policy choices Taiwan confronts and offers suggestions both for what Taiwan can do to help itself and what the United States should do to improve Taiwan's chances of success

Hagar, Sarah, And Their Children Letty M. Russell, In different ways Judaism Christianity and Islam all trace their beginnings to

Abraham His wives Hagar and Sarah though also pivotal in the story have received far less attention In this book however noted Jewish Christian and Muslim scholars focus on Hagar Sarah and their children from Ishmael and Isaac to their many descendents through the centuries Moving from ancient and medieval sources to contemporary appropriations of the Sarah and Hagar story the authors begin with an overview of the three religions from their scriptural beginnings to their contemporary questions They then explore how the story was developed after its canonization in rabbinic interpretations in the stories of Islam and in the teachings of the early church fathers They also present contemporary womanist and feminist perspectives Timely relevant and provocative this book provides an entree into interreligious discussion and understanding
