*Be Filled With The Holy Spirit* Zacharias Tanee Fomum, 2015-08-08 God is eagerly waiting to fill you with His Holy Spirit God's purposes in the New Covenant are tied to people who are filled with the Holy Spirit The greatest need of the hour and the Lord's perfect will is that each believer be filled with the Holy Spirit and filled with power Although He is waiting anxiously to do this He can only fill those who are empty Those who are filled with sin self the love of the world or the love of the things that are in the world cannot be filled with the Holy Spirit because they are already filled with the wrong thing or with the wrong things In this small practical book Prof Fomum presents the seven heart conditions together with a well thought out list of the things that often fill the hearts of people and so hinder them from being filled with the Holy Spirit We encourage you to prayerfully go through the list acknowledging hating uprooting from the heart and carrying out the necessary restitution once the illegal presence of any of the listed things is identified in your life Immediately you present a pure heart to God He will fill it with the Holy Spirit He is eagerly waiting to fill you Empty yourself without delay **The Complete Works of Zacharias Tanee Fomum on Holiness** Zacharias Tanee Fomum, The Complete Works of Zacharias Tanee Fomum on Holiness contains the following books True Repentance Restitution Deliverance from Sin The Way of Sanctification You Can Receive a Pure Heart Today The School of Truth The Believer's Conscience The Sin before You Can Lead to Death Do not commit it A Vessel of Honour A Broken Vessel Holiness seems to have become an elusive theme in our day Many preachers prefer to shy away from preaching it Why Because they don't live it In this way the enemy is fighting holiness like nothing else since he knows we have all been commanded to be holy even as He is holy Leviticus 19:2 The Bible says You must distinguish between the holy and the common between the unclean and the clean and you must teach the Israelites all the decrees the Lord has given them through Moses Leviticus 10:10-11 So holiness has to do with being uncommon and extraordinary clean at heart and teaching it by example This makes holiness a subject that is related to sinlessness righteousness and godliness It begins with true repentance A person who has not known true repentance unto God and faith in the Lord Jesus cannot be holy Attempting holiness without true repentance would be wood hay and stubble ready to be burned in the fire He who repents truly will naturally and easily carry out restitution for past stolen defrauded borrowed or unpaid things Every holy person is uncommon in that he has experienced deliverance from all sin through knowing reckoning yielding entirely to God and walking in the Spirit He has entered the way of sanctification He has received a pure heart and enrolled in the School of Truth A holy man is a man with an all good conscience who shuns all sin because he cherishes his relationship with God He refrains from all sin because he would not want to court God's judgment He has willingly offered himself to be broken and for that reason has become a vessel of honour Following the simple practical steps outlined in this anthology will carry you into the way of holiness We send this first volume on holiness out with a cry to the Lord that He should use it to bring many to the way of holiness that has become so elusive in our day The

Making of Disciples Zacharias Tanee Fomum, 2015-03-22 This critically important book is presented by the author as An attempt to provide the needful for the Lord's call to make disciples It is a statement of the revelations doctrines methods and principles of discipleship aimed at helping anyone to experience discipleship and thereby lead others to grow in a way to become active workers in making others into disciples of Jesus Christ It is a book to read and recommend to any servant of God cognizant of the glorious mission that the Lord Jesus Christ has entrusted to His church Therefore go and make disciples of all nations Finally the making of disciples is all about the work of transforming a sinner into a repentant sinner a repentant sinner into a convert a convert into a young disciple leading the young disciple to spiritual maturity and finally helping him to become a disciple maker This book is highly recommended to the body of Christ *Restitution* Zacharias Tanee Fomum, 2016-05-14 The thought of many is that when a person is saved God forgives him and wipes away all the consequences of his past sins that he is free His freedom is so complete that he has no responsibility to rightly terminate with the past and to carry out restitution to those he wronged then This book clearly examines that way of thinking in the light of the Scriptures and sets out the Biblical message for those who have overcome and those who want to overcome If you do not want to reassess your life in the light of the Word of God we recommend that you should forget this book completely and not bother to read it at all for if you read it you may find out that you have to carry out revolutionary restitution that will bring you to the crest of the wave of the Holy Spirit's move If you are an overcomer or desire to become one this is your book May the Lord bless you as you read it We send this book out with prayer that the overcomers in reading it would become more conformed to their soon coming Lord **The Way of Spiritual Warfare** Zacharias Tanee Fomum, 2015-08-05 There is a war in progress between God and His forces on one side and the devil and his forces on the other side Whether you like it or not you are a part of that war If you have received the Lord Jesus as your Lord and Saviour God has enrolled you in His army and expects you to fight for Him and with Him If you have not yet received the Lord Jesus as your Lord and Saviour then you are on the devil's side fully registered in his army even if you have good intentions You cannot be neutral By your every thought word and deed you are helping to advance one of the two sides in the conflict With your every second minute hour and day you are either working with God for the advancement of His army and Kingdom or helping the devil His rival to build his army and kingdom The Lord Jesus won the great victory over the devil and his host on the cross We consider it a great privilege to proclaim that victory We are compelled by the very nature of the truth to present Jesus as the Saviour Teacher Deliverer Healer and Victor We send this book out with prayer that the Lord should use it to raise some more saints who will fight the good fight and satisfy the heart of the Lord Lord Jesus may Your Kingdom come **The Complete Works of Zacharias Tanee Fomum on the Gospel Message** Zacharias Tanee Fomum, The Complete Works of Zacharias Tanee Fomum on the Gospel Message contains the following books God's Love and Forgiveness The Way of Life The Seed the Sower and the Hearts of Men Celebrity A Mask Come Back Home My Son I Still Love You Come and See Jesus Has not

Changed Encounter the Saviour Meet the Liberator Jesus Loves You and Wants to Heal You Jesus Saves and Heals Today  
 There is no good news like the Gospel of Jesus Christ And every believer in Christ has been commanded to go all over the world and tell everyone that Jesus died for them On the contrary do the right and shun the wrong is what every world religion teaches It is easier said than done Everyone who has tried to follow this advice finds himself powerless before the law of sin Sin is stronger than man That is why God gave us a Saviour who came and died ignominiously on the cross of Calvary to save us from sin and its consequences Because of the shedding of His precious blood the forgiveness of sins and holiness have become available to all mankind Why should anyone die and roast in hell when Christ has died to bar the way to hell for the one who repents of his sins receives Jesus as Saviour and believes in His name Why should anyone languish in their diseases and sicknesses when such a sacrifice has already been offered For by His wounds we have been healed 1 Peter 2 24 Why should anyone continue in demonic oppression when He came to set the captives free through His death on the cross Why should anyone remain in their curses when He became a curse that we might become a blessing He became poor so that we might become rich with His riches Why should anyone be without blessings when all the blessings in the heavenly realms have been given to the believer in Him Many testimonies punctuate this volume of how the Lord has wrought a complete salvation in the lives of so many people around the world Jesus Christ the Saviour the Redeemer the Healer the Deliverer and the Liberator is still at work today doing His work as He did it in Bible times

**The Battles he Fought** Zacharias Tanee Fomum, 1901 There are principalities and powers that stand in the way of the gospel In the Bible God showed Daniel that there would be four principalities to stand in the way of Israel to prevent it from being the nation from which the Messiah would come There was no nation of Israel at the time and Daniel went to war fasting and praying the Bible tells us that the principalities were overthrown Daniel is one of the prophets who tackled principalities and powers for their overthrow four principalities and powers That is the only Bible equivalent of the kind of ministry the author Z T Fomum carried out In 1987 after God had given him the goal of our ministry the Lord now showed him the principalities and powers that would stand as obstacles to the accomplishment of the goal The overthrow of those principalities is the kind of ministry brother Zach carried out on behalf of God's purposes and our ministry

Spiritual leadership does not happen by accident It is not a haphazard thing There is a science behind spiritual leadership Travel with the author through this systematic science outlined in the laws of spiritual leadership While following this sweet science of leadership do not forget to take care of the horse that is drawing the cart If the cart is taken so much care of and none is given to the horse the horse may get sick and die and the cart will no longer be drawn and the journey will stall The leader must take care of his body to keep it fit for service The apostle Paul says For physical training is of some value 1 Timothy 4 8a He must take care of his soul spirit and heart to keep them in Christ Philippians 4 7 The author tacitly brings into the equation how to lead a local church When the Good Samaritan offered first aid to the man who was attacked and severely wounded by armed robbers on the highway from Jerusalem to Jericho he did not leave him there He took him to an inn where they took proper care of him over a long period of time The local church is the best place where to keep your people safe as you lead them toward destiny It is the surest and most secure place on planet Earth where to retain the people as you lead them into God s purposes Why Rage as they may the gates of hell cannot and can never overcome the church Matthew 16 18 We send this fourth volume on leadership out with a cry to the Lord that He should use it to build many into leaders of His people capable of leading them into the totality of His purposes in this generation and beyond

*The Sower, The Seed and The Hearts of Men* Zacharias Tanee Fomum, 1901 This book is to be read through and studied for a radical change of heart and a fruitful evangelism ministry Inspired by the Parable of the Sower Professor Fomum teaches on the different types of hearts There is the wayside heart the stony heart the thorny heart and the good heart which is symbolised by good soil The author identifies the importance of the heart and gives the characteristics of each heart while showing that each man is responsible for the type of heart he has To have the heart that is good soil ready for planting you have to overthrow the self in you and rid your heart of all forms of idols Why does the author dwell so much on the heart as soil Because it is good soil that bears good fruit It is good soil that bears great fruit It is good soil that bears

abundant fruit That s why he goes on to speak extensively about ways to bear fruit in abundance This book is to be read through and studied for a radical change of heart and a fruitful evangelism ministry because as the author says It is ripe fruit that produces ripe fruit

**The Overthrow of Principalities and Powers** Zacharias Tanee Fomum,2016-07-25 The Bible says that we are not fighting against flesh and blood but against principalities and powers In this book we have made a study of principalities and powers and how they can be overthrown This spiritual warfare book was born in the crucible of ministry To some extent we know in reality what we are writing about The Lord Jesus is alive and He is real The devil is alive and he is real The warfare is real and not imaginary We send this book out with prayer that it will lead to greater freedom among the children of the kingdom We further pray that the Lord God will be pleased to use it to open the eyes of many of His children as to how to take cities nations and continents for His glorified Son

**The Complete Works of Zacharias Tanee Fomum on Prayer (Volume 3)** Zacharias Tanee Fomum,1901 The Complete Works of Zacharias Tanee Fomum on Prayer Volume 3 contains the following books 1 Life Changing Thoughts on Prayer Volume 2 2 The Ministry of Supplication 3 Moving God Through Prayer 4 Waiting on the Lord in Prayer 5 Prayer Crusades Volume 1 The life changing thoughts on prayer contained in this volume are like the pings that get the believer to detect the will and leading of God in various domains of prayer Each one of the thoughts is an entire topic to be pursued explored and developed to the fullest As you go through these thoughts you are travelling with the author along his journey around the world doing God s work of ministry while in the midst of prayer Supplication is handled from the glaring example of Hannah who having been barren for a long while desperately asked God for a baby as her prized treasure to be given back to Him In supplication the supplicant is so desperate that he will not rest and will not receive No from God for an answer This goes on till the point of breakthrough Those who make requests while keeping other options open are not supplicating With supplication there is one request no options and no plan B The reader will also learn how to move God through prayer There is no way anyone can move God through prayer if he does not know the perfect will of the Lord about what he is praying for It is those who know God s will and pray that will back to Him that moves Him through to answer and to do things in response to prayer God is not obliged to answer prayer that is not in tandem with His will The dynamics of waiting on the Lord in prayer are not the tools of a rapacious world that wants instantaneous answers to prayer One may have to abide in ceaseless prayer before the Lord about an issue for a year ten years or more and not give up until the day the Lord answers or gives assurance that He will surely answer This volume ends with the author s practical life of prayer crusades praying with his people Prayer crusades range from 8 hours 10 hours or more of personal or group prayer daily for periods ranging from 21 days to 40 days and beyond In this final part of the volume the reader finds himself in the prayer crusades praying with the author and his people

**The Use of Time** Zacharias Tanee Fomum, 2015-05-17 This book can change an entire community It s both a revolting and revolutionary message Z T Fomum the author defines time as one of the most precious gifts that God has given to man Since time is a gift from the Lord the author is convinced that its correct use cannot be separated from a deep knowledge of God and His will Decent use of time requires careful planning through the development of a timetable that devotes the best hours to the priority things of life in accordance with the revelation of God and the work that the Lord entrusts to us By an analytical demonstration with estimated figures the author convinces us of the dangers which the loss of time involves even in the smallest proportions both in time and in eternity In this book you will find some accounts of the use of time of the author and others
