The Mother Of God Translated:

The Glories of Mary, Mother of God. Translated from the Italian ... by a Catholic Priest, Etc Saint Alfonso Maria de' Liguori, 1833 *The Mother of God in the Theology of Sergius Bulgakov* Walter Nunzio Sisto, 2017-10-25 This book explores the Mariology of one of the most unique and fascinating thinkers in the Russian Orthodox tradition Father Sergius Bulgakov Bulgakov develops the Russian sophianic mariological tradition initiated by Vladimir Solov'ev and argues that Mary is the soul of the world or the pneumatological hypostasis Mary is the first and greatest disciple to be adopted by the Holy Spirit By situating Mary within the life and mission of the Holy Spirit Bulgakov maintains the respect and veneration that Orthodox Christians have for Mary but also places Mary squarely within the community of disciples Mary is a model disciple who reveals that the goal of the spiritual life spiritual motherhood In addition this text reveals the relevance and importance of Bulgakov's contribution to the contemporary discussion about the role of Mary in the history of salvation **The Mother of God** George William Foote, 1918 *A Translation of the Commonitory of St. Vincent of Lerins, ... Based on that of 1837, Etc. [Edited by J. Lynch.]*, 1874 **The Month of Mary Conceived Without Sin. Translated from the French. With an Introduction by F. W. Faber** Auguste Joseph Alphonse GRATRY, 1860 The Virgin mother of good counsel containing an account of the translation of the miraculous picture [at Genazzano] by the author of 'The penitent instructed'. Mary (the virgin.), 1887 **The Creeds of Christendom: The Evangelical Protestant creeds, with translations** Philip Schaff, 1884

Translating the Female Self across Cultures Eliana Maestri, 2018-01-15 Translating the Female Self across Cultures examines contemporary autobiographical narratives and their Italian and French translations The comparative analyses of the texts are underpinned by the latest developments in Translation Studies that place emphasis on identity construction in translation and the role of translation in moulding various types of identity They focus on how the writers textual personae make sense of their sexual artistic and post colonial identities in relation to the mother and how the mother daughter dyad survives translation into the Italian and French social political and cultural contexts The book shows how each target text activates different cultural literary linguistic and rhetorical frames of reference which cast light on the facets of the protagonists quest for identity the cult of the Madonna humour and irony gender and class mimesis and storytelling performativity and geographical sense of self The book highlights the fruitfulness of studying women's narratives and their translations and the polyphonic dialogue between the translations and the literary and theoretical productions of the French and Italian cultures History of the Sikhs, Or, Translation of the Sikkhān de Rāj Dī Vikhīā Sharadhā Rāma Philaurī, 1888

The Reference Catalogue of Current Literature, 1902 **A Select Library of Nicene and Post-Nicene Fathers of the Christian Church** Philip Schaff, Henry Wace, 1900 Duffy's Hibernian Magazine, 1861 *Wondrous in His Saints* Chris Baghos, 2023-06-29 What role do the church fathers play in the life of a modern Christian How do they define the experience of holiness And how can they help us appreciate our current culture while maintaining our traditional values

Wondrous in His Saints posits answers to these and other crucial questions while drawing upon the Eastern Orthodox patristic tradition from Late Antiquity to the early modern era Its chapters vary in scope theme and content focusing especially on the church fathers insights into intimate aspects of the spiritual life including prayer repentance and love as well as their engagement with the artistic and scientific achievements of their wider contexts Exploring the lives and writings of numerous titans of Orthodoxy including St Augustine of Hippo St Maximus the Confessor and St Gregory Palamas as well as lesser known figures such as St Guthlac of Crowland and the Chinese Martyrs of the Boxer Rebellion the author brings to the fore its egalitarian nature the fact that deification has never been restricted to any time place social class or clerical rank according to the church fathers but always attainable for men and women seeking communion with our Lord and Savior Jesus Christ

Translation and Gender Luise Von Flotow, 2016-04-08 The last thirty years of intellectual and artistic creativity in the 20th century have been marked by gender issues Translation practice translation theory and translation criticism have also been powerfully affected by the focus on gender As a result of feminist praxis and criticism and the simultaneous emphasis on culture in translation studies translation has become an important site for the exploration of the cultural impact of gender and the gender specific influence of culture With the dismantling of universal meaning and the struggle for women's visibility in feminist work and with the interest in translation as a visible factor in cultural exchange the linking of gender and translation has created fertile ground for explorations of influence in writing rewriting and reading Translation and Gender places recent work in translation against the background of the women's movement and its critique of patriarchal language It explains translation practices derived from experimental feminist writing the development of openly interventionist translation strategies the initiative to retranslate fundamental texts such as the Bible translating as a way of recuperating writings lost in patriarchy and translation history as a means of focusing on women translators of the past
