The Naked Detective Key West Capers 8:

The Naked Detective Laurence Shames, 2015-02-17 Meet Pete Amsterdam the world's most reluctant sleuth Naked in his hot tub Pete is idly reviewing his morning tennis game when trouble arrives in the form of the inevitable blonde This being Key West the blonde is not quite what she seems and it's useless to explain to her that he's not a real detective that in fact he got his P I license strictly as a tax dodge a way to pretend his new wine cellar is an office She's got troubles of her own big troubles that are utterly foreign to the cozy little paradise Pete has crafted for himself Why then does the unwilling gumshoe take the case Why does he allow himself to be squeezed ever tighter against Key West's humid underbelly involved with the likes of local bully Lefty Ortega his nympho daughter and the sleazeball who controls the island's gambling boats And why does he feel that his life is being taken over by the demands and traditions of the detective story Could it be that Pete in spite of his best efforts not to be is a bit of a hero after all New York Magazine ,1986-09-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Naked Detective** Laurence
