Finance, Accumulation and Monetary Power Daniel Woodley, 2019-10-29 This accessible yet rigorous book examines the development of financial socialism in advanced capitalist economies in the decade since the global financial crisis of 2007-2009 This new term refers to an attempt to resolve the accumulation crisis of capital through coordinated central bank activism where state circuits of monetary capital assume a critical role in the reproduction of capitalist social relations The book explains the dynamics of the crisis as it has developed and assesses the response of monetary elites to systemic financial risk in the global economy Their failure to re engineer

growth following the technology boom of the late 1990s and the global financial crisis are driving fundamental changes in the form and function of capitalist money which have yet to be theorized adequately Finance Accumulation and Monetary Power presents a revealing and radical critique of the failure of the International Political Economy to apprehend changes taking place within capitalism employing a critical theoretical analysis of contradictions in the capitalist reproduction scheme The book will be of key interest to scholars students and readers of international political economy critical political economy heterodox economics globalization international relations international political sociology business studies and finance

Mothers as the Image of God Juliann Bullock, 2022-12-12 Is God a man If God is our Heavenly Father does that require God to be male Does the Bible ever describe God as a mother as well as a father If human fathers can show us what God is like can we see God's image in our mothers too How do women uniquely reveal the nature of the One who created both male and female in the image of God *Mothers as the Image of God* explores answers to these important questions along with many others This book guides the reader on a series of biblical reflections designed to help both men and women experience the motherly love of God revealed in Scripture and to nourish women with the deep confidence that the most feminine aspects of their nature are a profound reflection of the very image of God an image that is exquisitely displayed through mothering whether that takes place biologically through adoption or by pouring into spiritual children

How to Become God Michael Faust,2013-01-27 Is it possible to become God Is the unconscious mind nothing other than the Heaven gate This is the extraordinary account of the ancient and controversial secret society known as the Pythagorean Illuminati of how it is possible for everyone to attain divinity There are two vast obstacles to overcome one relating to a lack of consciousness and the other to an over identification with consciousness The followers of the Abrahamic religions are bicameral meaning they are highly submissive and obey voices emanating from their unconscious Atheistic scientific materialists are overly rational and deny the existence of anything other than their mortal ego consciousness They have cut themselves off from the most mysterious domain in existence that of the two numbers zero and infinity This may be the most revolutionary book in history presenting a unique and breathtaking view of reality If you cannot find the answers to your profoundest questions in the God Program you will find them nowhere

The Council of Trent: Reform and Controversy in Europe and Beyond (1545-1700) Wim François,Violet Soen,Christopher B. Brown,Günter Frank,Bruce Gordon,Barbara Mahlmann-Bauer,Tarald Rasmussen,Zsombor Tóth,Günther Wassilowsky,Siegrid Westphal,2018-09-10 Exactly 450 years after the solemn closure of the Council of Trent on 4 December 1563 scholars from diverse regional disciplinary and confessional backgrounds convened in Leuven to reflect upon the impact of this Council not only in Europe but also beyond Their conclusions are to be found in these three impressive volumes Bridging different generations of scholarship the authors reassess in a first volume Tridentine views on the Bible theology and liturgy as well as their reception by Protestants deconstructing many myths surviving in scholarship and society alike They also deal with the mechanisms Rome developed to hold a grip on the Council s implementation The second volume analyzes the changes in local ecclesiastical life initiated by bishops orders and congregations and the political strife and confessionalisation accompanying this reform process The third and final volume examines the afterlife of Trent in arts and music as well as in the global impact of Trent through missions
