

“The ones who walk away from Omelas” by Ursula Le Guin

The short story, “The ones who walk away from Omelas”, written by Ursula Le Guin, is about a supposed perfect society where the sacrifice of a boy is what provides the harmony, the equality and the prosperity to the citizens of this city. As a reader, you are invited to create and to visualize your own perfect place in the world, your own Utopia. So that we embrace the reality of this moral dilemma: the happiness of many for the unhappiness of one. The symbol represented in the story reflects the past and present problems of our society, such as the military sacrifice, slavery and injustice.

The narrator describes that Omelas does not have any king (president), political system, the technology, arms or many of the things that at the moment rules our society. As human beings, we fight for freedom, and what we see in our world and in the story, nobody is truly free. “They know that they, like the child, are not free” (Ursula Le Guin) the narrator writes, showing the reader that although apparently, the citizens live “free” in a perfect society. Within their feelings, they are not free. There are no slaves in this utopia, as the narrator describes, however, the child’s freedom is taken from it, just as slavery. The child symbolizes slavery because it does not have liberty, and he is a servant of all the citizens of Omelas. The narrator clearly offers to the reader a contradiction that says: “... she did it without... the slavery” (Ursula Le Guin), but it does not reach the conclusion that the child is a servant of Omelas like a slave to his owner.

The citizens of the city are described like equals, prosperous and filled with joy:

“... all the same.”

Gender, Race, and American Science Fiction Jason Haslam, 2015-05-08 This book focuses

on the interplay of gender race and their representation in American science fiction from the nineteenth century through to the twenty first and across a number of forms including literature and film Haslam explores the reasons why SF provides such a rich medium for both the preservation of and challenges to dominant mythologies of gender and race Defining SF linguistically and culturally the study argues that this mode is not only able to illuminate the cultural and social histories of gender and race but so too can it intervene in those histories and highlight the ruptures present within them The volume moves between material history and the linguistic nature of SF fantasies from the specifics of race and gender at different points in American history to larger analyses of the socio cultural functions of such identity categories SF has already become central to discussions of humanity in the global capitalist age and is increasingly the focus of feminist and critical race studies in combining these earlier approaches this book goes further to demonstrate why SF must become central to our discussions of identity writ large of the possibilities and failings of the human past present and future Focusing on the interplay of whiteness and its various others in relation to competing gender constructs chapters analyze works by Nathaniel Hawthorne Mary E Bradley Lane Edgar Rice Burroughs Philip Francis Nowlan George S Schuyler and the Wachowskis Frank Herbert William Gibson and Octavia Butler Academics and students interested in the study of Science Fiction American literature and culture and Whiteness Studies as well as those engaged in critical gender and race studies will find this volume invaluable

[Saving Jesus from Those Who Are Right](#) Carter Heyward, In this theological resource for spiritual transformation and social change Carter Heyward rethinks the figure Jesus and his import for church academy and society Rather than focus on the endlessly variable pictures of Jesus in contemporary biblical scholarship and in radical opposition to the Jesus of the Christian Right Heyward presents Jesus as our brother infused with a sacred power and passion for embodying right mutual relation and ourselves with him in this commitment She goes on to explore concretely how we might live this way

Ways of Belonging Francesca Meloni, 2023-10-13 Ways of Belonging examines the experiences of undocumented young people who are excluded from K 12 schools in Canada and are rendered invisible to the education system Canadian law doesn't mention the existence of undocumented children and thus their access to education rests on discretionary practices and is often denied altogether This book brings the stories of undocumented young people vividly alive putting them into conversation with the perspectives of the different actors in schools and courts who fail to include these young people Drawing on long term ethnographic fieldwork Francesca Meloni shows how ambivalence shapes the lives of young people who are caught between the desire to

belong and the impossibility of fully belonging Meloni pays close attention to these young people's struggles and hopes showing us what it means to belong and to endure in contexts of social exclusion Ways of Belonging reveals the opacities and failures of a system that excludes children from education and puts their lives in invisibility mode An interview with the author <https://www.qmul.ac.uk/clpn/news/views/book-interviews/items/interview-with-francesca-meloni-about-her-book-ways-of-belonging-undocumented-youth-in-the-shadow-of-illegality.html>

Moral Realism Kevin DeLapp, 2013-02-14 Are moral values objective or are they relative to different cultural contexts

and traditions Do values have any place in a disenchanted scientific conception of the world and if so how do human beings relate to such values culturally psychologically and epistemologically This book examines contemporary responses to these questions Moral Realism introduces students to contemporary debates concerning moral realism including issues related to ethical naturalism moral epistemology moral motivation cultural pluralism and moral disagreement In the context of examining and connecting these different debates the book presents its own unique form of moral realism according to which values may be belief independent while also being characterized by an ontological pluralism that generates incommensurable moral disagreements and tragic dilemmas This idea serves as a guiding thread and also represents an attractive and neglected metaethical position in its own right Specific attention is devoted to locating debates about moral realism in actual embodied contexts by looking to issues in experimental moral psychology cross cultural anthropology and political science permitting an accessible approach ideal for undergraduate students
