University of Virginia Alumni News ,1919 **Hooligans Abroad (RLE Sports Studies)** John M. Williams, Eric Dunning, Patrick J. Murphy, 2014-04-24 This book traces international developments in the hooligan phenomenon since the Heysel tragedy of 1985 The authors make special reference to the troubled European championships in West Germany in 1988 and look critically at political responses to the problem The authors used participant observation in their research on British fans at the World Cup in Spain and at matches in Rotterdam and Copenhagen and capture the authentic voice of football hooliganism in their interviews In this analysis of patterns of football violence the authors suggest some short term proposals for restricting seriously violent and disorderly behaviour at continental matches and put forward a long term strategy to deal with the root causes of hooligan behaviour Hearings, Reports and Prints of the Senate Committee on the Judiciary United States. Umphlett, 1992-10-26 John W Heisman 1869 1936 was a man of many faces whose public image has suffered from a diffused enigmatic and mostly misunderstood private personality Since his death the popular reception of the memorial trophy named in his honor has also obscured his identity In singling out his many innovative contributions to the development of intercollegiate football this book attempts to present a true picture of Heisman as both man and coach Because he coached at schools throughout the country during some of the most eventful years in our history Heisman s life relates to significant political economic and social developments that impacted on American society as well as sports However this book is much more than the story of John Heisman s 36 year coaching career It is also the story of how an indigenous American public ritual the Big Game came about and how college football evolved into the complex problematic and highly structured big business that it is today Hearings, Reports and Prints of the Senate Committee on Commerce United States. Congress. Senate. Committee on Commerce, 1972
