## **The Original Inspector George Gently Collection:**

*The Original Inspector George Gently Collection* Alan Hunter, 2013-05-02 This first volume of the Inspector George Gently Collection comprises the original two novels that established Gently as one of Scotland Yard's fictional finest. These are the stories on which the hit BBC TV series was based, written with a charm that conveys Alan Hunter's love of the East Anglian setting and demonstrating his expert use of dialogue to keep the plot moving along at a cracking pace. The first of Gently's cases, *Gently Does It*, has him enduring the holiday from hell when he is caught up in a mysterious murder and locks horns with the local police over their handling of the affair. In the second book, *Gently By The Shore*, other people's holidays are disturbed when Gently is called in to investigate the discovery of a body on a pleasure beach. *George Gently Omnibus (Books 1-4)* Alan Hunter, 2012-05-17 Discover the first four titles in the George Gently series at an unmissable price.

\_\_\_\_\_ **GENTLY DOES IT** The last thing you need when you're on holiday is to become involved in a murder. For George Gently it is a case of business as usual. The Chief Inspector's quiet Easter break in Norchester is rudely interrupted when a local timber merchant is found dead. His son, with whom he had been seen arguing, immediately becomes the prime suspect, although Gently is far from convinced of his guilt. Norchester City Police gratefully accept Gently's offer to help investigate the murder, but he soon clashes with Inspector Hansom, the officer in charge of the case. Locking horns with the local law is a distraction Gently can do without when he's on the trail of a killer. \_\_\_\_\_ **GENTLY BY THE SHORE** In a British seaside holiday resort at the height of the season, you would expect to find a promenade and a pier, maybe some donkeys. You would not expect to find a naked corpse punctured with stab wounds lying on the sand. Chief Inspector George Gently is called in to investigate the disturbing murder. The case has to be wrapped up quickly to calm the nerves of concerned holidaymakers. No one wants to think that there is a maniac on the loose in the town, but with no clothes or identifying marks on the body, Gently has a tough time establishing who the victim is, let alone finding the killer. In the meantime, who knows where or when the murderer might strike again. \_\_\_\_\_ **GENTLY DOWN THE STREAM** Time spent messing about on the river isn't supposed to end with a brutal murder. The staff at Stoley's Boatyard were used to holidaymakers returning their pleasure cruisers a little late after a week or so exploring the network of waterways around Norchester. They were not used to finding their yachts burned almost beyond recognition, with the charred remains of a client still aboard. Taking on the murder investigation, Chief Inspector George Gently faces an enquiry like no other. Somewhere beneath the lies of the victim's wife, somewhere obscured by the brittle edge of her daughter's fear, somewhere hidden by her son's hysteria lies the truth. Gently's only hope is to sweep aside the litter of chaos and confusion to uncover the identity of the killer. \_\_\_\_\_ **LANDED GENTLY** Having been invited to spend Christmas in the country fishing for pike, Gently finds himself hunting a completely different predator when a guest at Merely Hall, a nearby stately home, is found dead at the foot of the grand staircase on Christmas morning. At first the tragedy is assumed to be a simple accident, but Gently is not one

to jump to conclusions and is soon in no doubt whatsoever that this was murder Merely produces the finest tapestries in England but the threads that Gently must unravel in his investigation are more complex than any weaver's design with everyone from the lord of the manor to his most lowly servant falling under suspicion Find out why readers LOVE the George Gently series Very descriptive great fun to read Witty well plotted and thoroughly enjoyable Charming whodunnit *The Mammoth General Knowledge Quiz Book* Nick Holt, 2019-09-12 A bumper collection of 2 800 questions and answers to test even the most ardent quiz fanatic **Collins Quiz Night: 10,000 original questions in 500 quizzes (Collins Puzzle Books)**
