**Following Rabbi Jesus, Study Guide** Phil Needham,2018-01-25 Following Rabbi Jesus is a surprising exposure of who the Jesus we find in the Gospels really is what he teaches those who dare to follow him and how he models what it means to live God s radical kingdom way The reader of the book will discover in this exploration a very different Jesus from the celebrity or hero of much popular church culture the tame ineffective Jesus of compromised Christianity and the inaccessible conceptual Christ of much academic theology The reader who takes the chance of honestly engaging the Jesus we meet in the Gospel stories may find an engaging and liberating contrast to the life he is now living He may even want to make a turn or two and start over 1, 2, and 3 John: An Introduction and Study Guide Warren Carter,2024-07-11 This insightful study engages the debates and interpretations of the brief and somewhat elusive writings known in the Christian canon as 1 2 and 3 John Chapter 1 identifies six unknowns about the origins of the three writings authors relationship to John s Gospel order date and location of the writings and their audiences Chapters 2 and 3 delineate the debate concerning the relationship of these writings to a purported Johannine tradition and Johannine community in which a schism is claimed to have occurred An alternative view recognizes that while there are some connections with John s Gospel it is more compelling to see the writings as independent rather than derivative as internally not externally directed as pastoral not polemical and as schism free Chapters 4 7 discuss important aspects of 1 John Chapter 4 argues that its structure or organization is based on rhetorical and conceptual links among the writing s small units Chapter 5 reads 1 John as a pastoral in house writing rather than a polemical attack on opponents Chapter 6 identifies the genre of I John as not a letter or sermon but an epideictic speech that seeks to strengthen the identity commitments and practices of its believing recipients Chapter 7 outlines theological understandings that underpin the writing s pastoral work Chapters 8 and 9 focus on 2 and 3 John as writings that provide two different approaches to itinerant teachers The narrative fiction in 2 John presents the elder s warning and

skepticism about itinerant teachers whereas the author of 3 John by contrast advocates reception and welcome for itinerant teachers

**Modernity and Spirit Worship in India** Miho Ishii, 2019-11-06 This book investigates the entangled relations between people's daily worship practices and their *umwelt* in South India. Focusing on the practices of spirit *b'ta* worship in the coastal area of Karnataka, it examines the relationship between people and deities. Based on extensive fieldwork, this book links important anthropological theories on personhood, perspectives, transactions, and gift exchanges together with the Gestaltkreis theory of Viktor von Weizsäcker. First, it examines the relations between *b'ta* worship and land tenure, matriliney, and hierarchy in the society. It then explores the reflexive relationship between modern law and current practices based on conventional law, before examining new developments in *b'ta* worship with the rise of mega industries and environmental movements. Furthermore, this book sheds light on the struggles and endeavours of the people who create and recreate their relations with the realm of sacred wildness, as well as the formations and transformations of the *umwelt* in perpetual social, political, and religious transition. *Modernity and Spirit Worship in India* will be of interest to academics in the field of anthropology, religious studies, and the dynamics of religion and South Asian Culture and Society.
