**Homeschooling: The Art of Real Life Education** Mary Joyce Wright, 2015-01-29 Homeschooling is the process of educating one's children at home rather than at a public or private school. Books on the subject are vital to proper homeschooling. One of the most significant reasons is that the process is filled with a great deal of legal red tape and paperwork. It can help one navigate this often difficult subject in order to do everything fully within the law.

**Homeschooling** Samuel L. Blumenfeld, 1997 More and more parents today are disillusioned with public education.
