George Eliot and Nineteenth-Century Psychology Michael Davis, 2016-12-05 In his study of Eliot as a psychological novelist Michael Davis examines Eliot's writings in the context of a large volume of nineteenth century scientific writing about the mind Eliot Davis argues manipulated scientific language in often subversive ways to propose a vision of mind as both fundamentally connected to the external world and radically isolated from and independent of that world In showing the alignments between Eliot's work and the formulations of such key thinkers as Herbert Spencer Charles Darwin T H Huxley and G H Lewes Davis reveals how Eliot responds both creatively and critically to contemporary theories of mind as she explores such fundamental issues as the mind body relationship the mind in evolutionary theory the significance of reason and emotion and consciousness Davis also points to important parallels between Eliot's work and new and future developments in psychology particularly in the work of William James In *Middlemarch* for example Eliot demonstrates more clearly than either Lewes or James the way the conscious self is shaped by language Davis concludes by showing that the complexity of mind which Eliot expresses through her imaginative use of scientific language takes on a potentially theological significance His book suggests a new trajectory for scholars exploring George Eliot's representations of the self in the context of science society and religious faith The Kentucky High School Quarterly, 1922 **New England Journal of**

Education ,1915 **Journal of Education** ,1900 *The Transferred Life of George Eliot* Philip Davis,2017-03-09 Reading George Eliot s work was described by one Victorian critic as like the feeling of entering the confessional in which the novelist sees and hears all the secrets of human psychology that roar which lies on the other side of silence This new biography of George Eliot goes beyond the much told story of her life It gives an account of what it means to become a novelist and to think like a novelist in particular a realist novelist for whom art exists not for art s sake but in the exploration and service of human life It shows the formation and the workings of George Eliot s mind as it plays into her creation of some of the greatest novels of the Victorian era When at the age of 37 Marian Evans became George Eliot this change followed long mental preparation and personal suffering During this time she related her power of intelligence to her capacity for feeling discovering that her thinking and her art had to combine both That was the great ambition of her novels not to be mere pastimes or fictions but experiments in life and helps in living through the deepest account of human complexity available Philip Davis s illuminating new biography will enable you both to see through George Eliot s eyes and to feel what it is like to be seen by her in the imaginative involvement of her readers with her characters **Report of the Board of Education of the State of Connecticut ; Submitted to the Governor, Together with the Report of the Secretary of the Board** Connecticut.
