Kramnick, 2023-12-04 A defense and celebration of the discipline of literary studies and its most distinctive practice close reading Does literary criticism offer truths about the world In *Criticism and Truth* Jonathan Kramnick offers a new and

surprising account of criticism's power by zeroing in on its singular method close reading Long recognized as the distinctive technique of literary studies close reading is the critic's way of pursuing arguments and advancing knowledge as well as the primary skill taught in the English major But it is also more than that a creative immersive and transformative writing practice that fosters a unique kind of engagement with the world Drawing on the rich and varied landscape of contemporary criticism Kramnick changes how we think about the basic tools of literary analysis including the art of in text quotation summary and other reading methods helping us to see them as an invaluable form of humanistic expertise Criticism and Truth is a call to arms making a powerful case for the necessity of both literature and criticism within a multidisciplinary university As the humanities fight for survival in contemporary higher education the study of literature doesn't need more plans for reform Rather it needs a defense of the work already being done and an account of why it should flourish This is what Criticism and Truth offers in vivid and portable form
