Coming of Age in Contemporary American Fiction Kenneth Millard, 2007-04-18 This book explores the ways in which a range of recent American novelists have handled the genre of the coming of age novel or the Bildungsroman Novels of this genre characteristically dramatise the vicissitudes of growing up and the trials and tribulations of young adulthood often presented through depictions of immediate family relationships and other social structures This book considers a variety of different American cultures in terms of race class and gender and a range of contemporary coming of age novels so that aesthetic judgements about the fiction might be made in the context of the social history that fiction represents A series of questions are asked Does the coming of age moment in these novels coincide with an interpretation of the fall of America What kind of national commentary does it therefore facilitate Is the Bildungsroman a quintessentially American genre What can it usefully tell us about contemporary American culture Although the focus is on the conte

Jesus and the Family Frank G. Honeycutt, 2013-08-20 There are few more loaded words in American life than family Jesus grew up in one and honored his parents in fulfillment of the commandments But his teachings on family life stand among the most jarring things he ever said Jesus invites serious followers to hate mother and father He predicts discipleship will bring division rather than peace to family life He completely recasts the definition of kinship as whoever does the will of God In an era when families face unprecedented challenges sticking together for the long haul Jesus's words at first glance seem to welcome disintegration of the Christian household rather than offering healing and a clear way

forward This book examines the off putting words of Jesus in the wider context of radical allegiance and baptismal priority In a country where family devotion is akin to honoring the national flag Honeycutt unpacks an old word for a new generation of Christians called to place Jesus first in all things It s only then that we ll be able to truly help those who share a common roof and lineage
