

the climb

they say that when you're broken
this is how the light gets in
but what if all the cracks
are letting out the light within

they say it makes you stronger
but at first it makes you weak
the way you face the mountain base
before you climb its peak

they say to break is brave
and yet your mind is full of dread
you're not overwhelmed by courage
but by helplessness instead

but admitting you are breaking
is far braver than you know
and remember, from the bottom
there is just one way to go

see I think they mean it isn't just
that breaking makes you strong
but the way you use the embers
of your will to carry on

it's triumph over trauma
and it's healing after hurt
it's rising from the ashes
with a new-found sense of worth

so find yourself a candle
and allow its tiny spark
to ignite you back to life
and put the fire back in your heart

and grant yourself compassion
for the times that you feel weak
rest until you're strong enough
to get back on your feet

yes I know that when you're broken
you have only threads of hope
but tie them to the mountain
like your personal safety rope

then gather at the bottom
with the summit high above
and take a breath, then take a step
the only way is up
