*The Comedia in English* Susan Paun De García, Donald R. Larson, Donald Larson, 2008 The bringing of Spanish seventeenth century verse plays to the contemporary English speaking stage involves a number of fundamental questions Are verse translations preferable to prose and if so what kind of verse To what degree should translations aim to be faithful Which kinds of plays work and which do not Which values and customs of the past present no difficulties for contemporary audiences and which need to be decoded in performance Which kinds of staging are suitable and which are not To what degree if any should one aim for authenticity in staging In this volume a group of translators directors and scholars explores these and related questions Jacket

*The Paterson Pimp* Randy Jackson a. K. a. Jashon, 2008-07 Born in Paterson New Jersey to a Jehovah Witness mother and a subservient workaholic father Randy L Jackson s childhood was dominated and controlled by his obstinate mother and her religion Hate for his mother s religion and the way his father let his mother rule the household burned inside him like a forest fire He would grow up with a hatred for all women Then his brother Silky a ex pimp moved to Paterson from the south with his own hatred inside for being left behind and raised by his grandparents His brother would begin teaching him the pimp game at an early age With his brother as his mentor he knew he would be adept in making every woman pay for how his mother had controlled his father and destroyed his childhood Randy whose street pseudonym was Jashon would think of himself as an intelligent hoodlum who was criminal minded He was out to rob steal pimp and manipulate anyone he came in contact with In this book Jashon will take you from early childhood days to his days as a petty hustler to his reign as the King of The Underground Exotic go go World This is the story of my life as The Paterson Pimp

**The New Partridge Dictionary of Slang and Unconventional English** Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge s brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English

speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean, emphasis on post-World War II slang and unconventional English, published sources given for each entry often including an early or significant example of the term's use in print, hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords, dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years. Over 1,000 new entries from the US, UK and Australia. New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language.

**Degas Street** Louis Llovia, 2002-09-18. Clearwater, Florida, a tropical paradise where sunshine is a way of life. A beach town where families come to live out their vacation dreams on the sandy beaches of Florida's West Coast. But there's a teeming underbelly to this idyllic postcard-friendly town; an underbelly they fight for you not to see. For Clearwater is a place where drugs, prostitution and murder are a way of life just like any town in America. It is not supposed to happen here, but it does every day. Paul Easterman, a reporter whose once brilliant career has passed him by, is hiding from a past he can do nothing about. Rebecca Madison, a fifteen-year-old prostitute whose never had a chance in her wretched life, is trying to survive one more night. Thrown together by circumstances beyond their control, they must find a way to stay alive, save her from a life on the streets and redeem their shattered dreams. To do this, they must fight the FBI, a sadistic hit man, a pimp hell bent on running the streets his way and each other. But first, they have to survive Degas Street.

Down into Darkness David Lawrence, 2007-11-13. The naked body of a young woman is found hanging from a tree on a London roadside. Scrawled across her back are the words DIRTY GIRL. Detective Stella Mooney is faced with a murder as baffling as it is chilling. With no means to identify the victim and no apparent motive, the case is blocked until a man is found on a bench by the river, his throat cut back to the vertebrae. And as before, the killer has left a trademark comment: FILTHY COWARD. Stella and her team can see there's a connection, but what? One victim is a young girl, maybe one of the hookers who work the Strip; the other, a researcher for a prominent and controversial member of Parliament. More evidence is needed. And soon enough, it comes: another death, another message.

*The Economy of Prostitution in the Roman World* Thomas McGinn, 2010-03-25. In recent years, a number of classical scholars have turned their attention to prostitution in the ancient world. Close examination of the social and legal position of Roman meretrices and Greek hetairai have enriched our understanding of ancient sexual relationships and the status of women in these societies. These studies have focused, however, almost exclusively on the legal and literary evidence.

McGinn approaches the issues from a new direction by studying the physical venues that existed for the sale of sex in the context of the Roman economy Combining textual and material evidence he provides a detailed study of Roman brothels and other venues of venal sex from imperial palaces and private houses to taverns circuses and back alleys focusing on their forms functions and urban locations The book covers the central period of Roman history roughly from 200 B C to A D 250 It will especially interest social and legal historians of the ancient world and students of gender sexuality and the family Thomas A J McGinn is Associate Professor of Classical Studies at Vanderbilt University *Jet*, 1989-01-30 The weekly source of African American political and entertainment news *Living in History* Luke Roberts, 2024-05-31 Challenging received ideas about the British Poetry Revival Luke Roberts presents a new account of experimental poetry and literary activism Drawing on a wide range of contexts and traditions *Living in History* begins by examining the legacies of empire and exile in the work of Kamau Brathwaite J H Prynne and poets associated with the Communist Party and the African National Congress It then focuses on the work of Linton Kwesi Johnson Denise Riley Anna Mendelssohn and others in the development of liberation struggles around gender race and sexuality across the 1970s Tracking the ambivalence between poetic ambition and political commitment and how one sometimes interferes with the other Luke Roberts troubles the exclusions of British Poetry as a category and tests the claims made on behalf of avant garde and experimental poetics against the historical record Bringing together both major and neglected authorships and offering extended close readings fresh archival research and new contextual evidence *Living in History* is an ambitious and exciting intervention in the field *SMOKE WITHOUT FIRE* Mark Charlton-Kings, 2016-07-21 This is the Third book in the Dalton Family Trilogy following on from *Vengeance in the Sky* Craig Dalton a successful English vet pilot accomplished polo player inveterate womaniser enjoys an enviable lifestyle in Africa When he falls in love with a beautiful American girl on safari his world seems complete But everything disintegrates when Craig's past re-emerges to haunt him Distraught he returns to England where a serial killer known as the Bristol Beast is murdering young prostitutes Craig becomes involved Yet this exciting story begins in Rhodesia and ends in today's Zimbabwe with a brutalised girl playing a pivotal role in Craig's life Seemingly unconnected events entwine into a complex story involving rejected lovers obsessed policemen teenage prostitutes a brilliant barrister an American philanthropist and a journalist with a sinister past This gripping saga of love hatred injustice and revenge is set in Africa America Belgium and England places the author knows well **Encyclopedia of Beat Literature** Kurt Hemmer, 2010-05-12 Discusses the literary works and great authors of the Beat Generation **The House, 1916** E.
