This presents a unique challenge to the church as it seeks to faithfully make disciples of the next generation. What does it look like theologically and practically to minister contextually to those whose lives are permeated by social media and digital culture? In this in-depth study, Dr. Vo Huong Nam offers both social and theological insight into the task of discipling youth in the digital age. He examines the impact of digital media on both society and young people and offers an overview of Christian responses to the changing technological landscape. Engaging such authors as John Calvin, Dietrich Bonhoeffer, and Henri Nouwen, he develops a constructive theology of spiritual formation relevant to the context of twenty-first century youth. He explores the implications of this theology on church practice, urging the church to take seriously its call to be all things for all people. Drawing specific examples from youth ministry in Vietnam, he addresses practical questions of application and contextualization and suggests that silence, solitude, and prayer are spiritual disciplines uniquely vital for the digital age. This book is an important resource for all those involved in discipling young people and longing to see today's youth come to fullness of life in Christ. Shoes for the Shoemaker Samuel M. Wright, Samuel Wright Jr., 2005-07 **The Rural Pastor** H. Andy Wiebe, 2015-11-07 Most churches are small, with less than one hundred in attendance each Sunday. Many of these are in the rural parts of the country, in small villages or counties many miles away from the city. These rural churches are served by pastors who are working hard and serving God and their church with all their heart. This book is meant to encourage rural pastors as they serve in the out-of-way places as well as help others see the value and importance of these rural pastors.

Because this transfer takes place primarily in the home, Voddie Baucham Jr. seeks to guide men in faithfully shepherding their families. Derived from Baucham's monthly meetings with men in his church, *Family Shepherds* calls men to accountability for their God-given responsibilities as husbands and fathers. This book will inspire them to live better, love better, and lead better so that their families will thrive in every way. Baucham's clear style and practical approach will help men protect their marriage, raise kingdom-minded children, value the synergy between church and home, and navigate difficult family dynamics.
