Naked and the Dead & Selected Letters 1945-1946 (LOA #364) Norman Mailer,2023-01-10 A landmark in the modern literature of war by a still controversial literary icon Includes a selection of letters nine never before published that reveal the real life roots of one of the greatest American debut novels of the last century Nearly universally praised upon publication as an achievement inviting comparison with Tolstoy and Hemingway Norman Mailer's The Naked and the Dead is not just a

monumental war novel but also a devastating antiwar novel exposing the primal nature of power through the interplay of a platoon of soldiers on an impossible and ultimately pointless mission on an obscure island in the Pacific during World War II. Written just after the war ended in the early days of the emerging Cold War, the novel daringly engages with the authoritarian impulses in the American character. To celebrate and commemorate the centennial of Mailer's birth and the 75th anniversary of the publication of his unforgettable debut novel, this expanded collector's edition includes a selection of 23 letters, all but four from Mailer to his first wife Beatrice, chosen by Mailer biographer J. Michael Lennon that reveals the keen insight and powerful ambition of a brilliant young writer grappling with the challenge of converting the weight of experience into art.

The Naked Ape Desmond Morris, 2010-11-16 FIFTIETH ANNIVERSARY EDITION WITH A NEW PREFACE BY THE AUTHOR. Here is the Naked Ape at his most primal, in love, at work, at war. Meet man as he really is, relative to the apes, stripped of his veneer, as we see him courting, making love, sleeping, socialising, grooming, playing. Zoologist Desmond Morris's classic takes its place alongside Darwin's *Origin of the Species*, presenting man not as a fallen angel but as a risen ape, remarkable in his resilience, energy, and imagination, yet an animal nonetheless in danger of forgetting his origins. With its penetrating insights on man's beginnings, sex, life habits, and our astonishing bonds to the animal kingdom, *The Naked Ape* is a landmark, at once provocative, compelling, and timeless. Original, provocative, and brilliantly entertaining. It's the sort of book that changes people's lives. Sunday Times.
