Dothead Amit Majmudar, 2018-03-20 A captivating no holds barred collection of new poems from an acclaimed poet and novelist with a fierce and original voice Dothead is an exploration of selfhood both intense and exhilarating Within the first pages Amit Majmudar asserts the claims of both the self and the other the title poem shows us the place of an Indian American teenager in the bland surround of a mostly white peer group partaking of imagery from the poet's Hindu tradition the very next poem is a fanciful autobiography relying for its imagery on the religious tradition of Islam From poems about the treatment at the airport of people who look like Majmudar my dark unshaven brothers whose names overlap with the crazies and God fiends to a long freewheeling abecedarian poem about Adam and Eve and the discovery of oral sex Dothead is a profoundly satisfying cultural critique and a thrilling experiment in language United across a wide range of tones and forms the poems inhabit and explode multiple perspectives finding beauty in every one

What He Did in Solitary Amit Majmudar, 2020-08-18 The prize winning poet reflects on what sustains us in a sundered world With his dazzling ability to set words spinning Amit Majmudar brings us poems that sharpen both wit and knives as he examines our life in solitary Equally engaged with human history and the human heart Majmudar transfigures identity from a locus of captivity to the open field of his liberation In pieces that include a stunning central sequence Letters to Myself in My Next Incarnation the poet is both the Huck and Jim of his own adventures He is unafraid to face human failings from Oxycontin addiction to Gujarat rioting he examines often with dark comedy the fragility of the soul the unchartability of pain and the reasons we sing and grieve and make war All American and multitudinously alone dancing in his confinement Majmudar is a poet of exuberance and transcendence What I love here Poems and women mostly I know you can't remember he tells his future self But they were worthy of my love

The Ballad of the Lone Medievalist Kisha G. Tracy, John P. Sexton, 2018 Working medievalists are often the only scholar of the Middle Ages in a department a university or a hundred mile radius While working to build a body of focused scholarly work the lone medievalist is expected to be a generalist in the classroom and a contributing member of a campus community that rarely offers disciplinary community in return As a result overtasked and single medievalists often find it challenging to advocate

for their work and field As other responsibilities and expectations crowd in we come to feel disconnected from the projects and subjects that sustain our intellectual passion An insidious isolation even from one another creeps in and soon even attending a conference of fellow medievalists can become a lonely experience Surrounded by scholars with greater institutional support lower teaching loads or more robust research agendas we may feel alienated from our work the work to which we've dedicated our careers The Lone Medievalist the collaborative community and the book is intended as an antidote to the problem of professional isolation It is offered in the spirit of common weal that marks the ideals if not always the realities of so many of the communities we study agricultural professional national notional and of course monastic The Ballad of the Lone Medievalist isn't only about scholarship or teaching or institutional life or the pursuit of new learning it's about all of them The essays in this volume address all aspects of the professional and intellectual life of medievalists Though many of us acknowledge and address the challenges in being Lone Medievalists these essays are not intended as voces clamantium they are offered to provide strategies camaraderie and an occasional bit of inspiration They are a call to action a sharing of hard won wisdom and a helping hand and above all a reminder that we are not alone **Poems at the Edge of Differences**
