**Revival** L. V. Lewis, 2019-09-02 Can a relationship that never got a fair start be revived by love ALYSSA I knew not to date a musician Hell I am one Our lifestyles don't translate into healthy relationships unless you're Skylar my pop star bestie and her boyfriend Savage a rock legend and you tour together Living

out of a suitcase the better part of every year sucks if you're looking to find love and I knew this when Dylan Castle the drummer of Savage Saban's legendary rock band The Savages showed up on our tour ten months ago. Our chemistry had been off the charts and he took me on an epic first date, romanced me for a few weeks. Then he ghosted me. It's not the first time that's happened given my demanding career, but why did this time hurt so bad? DYLAN Reuniting with my long lost band mate Savage has been the highlight of my year. The band and I thought he might be up for us getting back together since he was now touring again with Skylar. We were wrong. The Savages would not be revived with Savage as its front man. While not getting the band back together has been a bummer, meeting Skylar's best friend Alyssa gave me hope that she and I might make some beautiful music together. Fate had other plans. Alyssa was the first woman I've ever had any desire or inclination to date seriously. A call from my physician with the results of a routine physical made me rethink that idea. Now Savage and Skylar wants us all to fly out to a resort in the Maldives for two weeks prior to their wedding. How can I see Alyssa again without reviving feelings for her? I've tried for almost a year to bury every memory of those two blissful months we spent together. That is until my medical condition improved. Will I be able to convince her the feelings we shared a year ago were real enough to resume building a relationship together or will she ghost me now?

Revival is book 3 of The Rock Legends Series and can be read as a stand alone novel with plenty of heat, rock star romance and a HEA. [Revival](#) Lewis Nordan, 2019

After getting more fists in the ribs than hugs growing up, he discovers having a warm female in his bed is an easy way to escape the loneliness. Until Margo. From the moment the classy buttoned up violinist entered his sphere, he knew she was different. After one amazing night in the studio, he feels like he's finally connected with someone on a deeper level, only to have her walk away without a backward glance. As a member of the Boston Symphony orchestra, Margo Reece's life revolves around the regimented structure of a second chair violinist. But Simon's uncanny ability to crawl into a song and create a smoky, sin-filled experience translated into the hottest night of her life. She walked away afterward because that's what she was supposed to do. And Margo always does what she's supposed to. Until Simon. When she's called on again to blend her sound with Oblivion's, she has to make the decision to play it safe or let her wild side free.
