Discover what you can eat to calm your immune system, reduce inflammation, and help your body heal itself. Find out which simple lifestyle changes, along with changes in diet, will make the biggest difference for your health. There's no need to worry that going Paleo will break the bank or require too much time in the kitchen preparing special foods. In *The Paleo Approach*, Dr. Ballantyne provides expert tips on how to make the switch easily and economically. Complete food lists with strategies for the day-to-day, how to stay within your food budget, where to shop for what you need, how to make the most out of your time in the kitchen, and how to eat out, take all the guesswork out of going Paleo.
