Makeover Journal Dave Ramsey,2019-12-03 When Dave Ramsey was experiencing his own total money makeover he found that journaling was very helpful and effective in allowing him to see the big picture. Dave says Take this journal and record everything happening that seems like a big deal. Record the relationship issues the debt the emotions the setbacks the victories and anything else that seems important at the time. The immediate benefits of writing everything down are twofold. First writing helps you process the problems and victories. The second immediate benefit of journaling is that you can reread your entry just days even months later and gain vital perspective on your progress. Now in a bullet journal format with prompts for recording victories and setbacks and removable cover wrap. The Total Money Makeover Journal will motivate those in The Total Money Makeover journey to find value in every day. Write it down. You will be glad you did. **Dave**
