Supreme Court of the State of New York , Jagged Truth Emily Kimelman, Robert Maxim's smirk feels a little like home like the scary exciting basement steps with their shadows and hints of unnatural powers A cold wind rushes across the fallow corn field pulling at my cargo pants and dipping into the open neck of my long overcoat It's too large for me drooping off the shoulders and buttoned around my son James as he sleeps against my chest in his baby carrier Blue's nose taps my hip My son's breath warms my chest This is home They say you can't ever go home again but I think they're wrong No matter where I stand as long as I have these two with me I am home Robert Maxim on the other hand I know I don't belong with him although he doesn't agree The man is richer and more powerful than anyone should be He holds as much sway over our world as the basement steps over the imagination of a child it's a death grip that makes no sense Here he stands now the same cold wind bracketing me teasing his hair sable but silvered at the temples just like a real villain His ebony coat fits him perfectly the material the kind of soft black that absorbs light When we are ten feet away Robert stirs moving forward to meet us Sydney he says in that voice of his looking at me with those oceanic eyes smiling with that smirk Robert's gaze drops to Blue Blue he says nodding a greeting Blue's tail wags and he lets out a warble Robert's smirk spreads into a smile Blue doesn't hate Robert Maxim Which is a point in Robert's favor But there are too many checkmarks in the this guy is a dangerous psychopath column to totally trust Blue's assessment that he shouldn't be mauled on sight Robert I say tilting my chin up His gaze shifts to the bulge under my coat My arms circle James The black wool coat reaches past my knees covering James's body keeping him hidden and warm He's asleep I've so looked forward to meeting him I spent James's entire life all eleven months of it hiding Not just from Robert Maxim but he was one of the key components that made me want to bury myself away from the world I may believe you can find home no matter where you are but that also means you can't ever run away from yourself Wherever you go there you are and in my case Robert Maxim is there too I left you Robert You must realize that I'm not going to let you be in my son's life No His gaze drops to the top of James's head He leans forward to get a peek at his face and the emotion that steals over Robert Maxim breaks off a piece of my heart and runs away with it You can have it all Robert says Any thing or person you desire He throws the word desire at me like it's mine like I should own it All of your wants and needs can be met You just have to allow yourself to have them His eyes come back to mine Can you do that Sydney Let yourself have everything you want How do I get you to just leave me alone His nostrils flare and the skin around his eyes tighten You can have that too I'm not here to force you into my bed Sydney I'm here to save your life P S The dog does not die Beware If you can't handle a few f bombs you can't handle this series **The Enemy In You** Johnny Honaker, 2017-05-30 You have been through the storms of life and have achieved victory but an empty feeling lingers It could be you have to recover what Satan has plundered from you In The Enemy in You Pastor Johnny Honaker takes you on a journey from brokenness to wholeness As God brings healing you will ascend from the ashes and ruins of pain and calamity

[Latin retranslation; or, The English version of 'Latin at sight', by J. Gibson and W.T. James](#) John Gibson,1898 **The City of God: A translation into English by John Healey** Saint Augustine (of Hippo),1909 [Identical](#) Robert De Cristofano,2006-11 From the very first moment that we gaze upon our own face in a mirror we are mesmerized At first we don't even recognize that the image peering back at us is our own Eventually we come to realize that the person in the mirror is

indeed one with us a part of us and from that moment on everything changes Our reflection becomes an integral part of our life Without it life as we know it would be almost impossible It is here in front of that mirror that we finally see that which is very important who we really are So imagine for a moment what would happen if one day our image had suddenly tragically disappeared Identical twin brothers Marco and Luca Luna share everything Growing up in a small town they are an integral part of a loving family They participate in sports enjoy music and are active in their local church The brothers do everything together perhaps because they are so much alike and yet so different Then one moment and one event changes everything and nothing will ever be the same again

The Silver Scar Dornbusch Betsy, 2018-10-23 When Trinidad was twelve his Wiccan parents blew themselves up in an ecoterr attack that killed several Christians Orphaned and disillusioned he fled his home and his best friend Castile to soldier for the powerful Christian church inside the walled city of Boulder Colorado Fostered by a loving priest and trained by a godless warrior Trinidad learned the brutal art of balancing faith and war He is the perfect archwarden disciplined and devout But when his Bishop turns up with a silver scar she claims is proof of angelic orders to crusade Trinidad alone knows her story is a lie The silver is from a mystical ancient graveyard called the Barren a place of healing reached only by Wiccan magic a place that could turn Christianity on its head Accusing her outright is treason and gaining proof means committing heresy both of which is a death sentence for an archwarden Instead torn between the lure of powerful magic his love for Castile and his vows to defend the Church Trinidad secretly conspires with a violent tribe of ancestor worshipers and a Wiccan coven to stop the crusade But as everyone he trusts is mired in betrayal and bent on vengeance he soon realizes no amount of righteousness can stop the slaughter of thousands

Embodying American Slavery in Contemporary Culture Lisa Woolfork, 2010-10-01 This study explores contemporary novels films performances and reenactments that depict American slavery and its traumatic effects by invoking a time travel paradigm to produce a representational strategy of bodily epistemology Disrupting the prevailing view of traumatic knowledge that claims that traumatic events are

irretrievable and accessible only through oblique reference these novels and films circumvent the notion of indirect reference by depicting a replaying of the past forcing present day protagonists to witness and participate in traumatic histories that for them are neither dead nor past Lisa Woolfork cogently analyzes how these works deploy a representational strategy that challenges the divide between past and present imparting to their recreations of American slavery a physical and emotional energy to counter America's apathetic or amnesiac attitude about the trauma of the slave past
