Massive Attack - True Stories From the Frontline of Tottenham's Staunchest Fans Trevor Tanner, 2010-11-25 I think it's pretty well accepted that Spurs are the Guv'nors now To my horror I see to my right my pal holding his hand slumped against a wall and pouring with blood From the author of the bestselling Tottenham Massive comes this incendiary follow up the most searingly honest and brutal book ever written about football Trevor Tanner is the man at the head of the Tottenham Massive In this all new account of life with the firm he reveals the emotional stress and headache of the year long trial which resulted in him walking out a free man but not before he'd gone on the run for a month and seen the stress the case put his family and close friends under He tells how it feels to have left the legacy for what is arguably the best firm the country has seen in more than 20 years To be honest in my mind Millwall are the only team who could probably give us a bit of a go

The Ashgate Research Companion to Fan Cultures Linda Duits, Koos Zwaan, Stijn Reijnders, 2016-04-22 Fans constitute a very special kind of audience They have been marginalized ridiculed and stigmatized yet at the same time they seem to represent the vanguard of new relationships with and within the media Participatory culture has become the new normative standard Concepts derived from early fan studies such as transmedial storytelling and co creation are now the standard fare of journalism and marketing text books alike Indeed usage of the word fan has become ubiquitous The Ashgate Research Companion to Fan Cultures problematizes this exaltation of fans and offers a comprehensive examination of the current state of the field Bringing together the latest international research it explores the conceptualization of the fan and the significance of relationships between fans and producers with particular attention to the intersection between online spaces and offline places The twenty two chapters of this volume elucidate the key themes of the fan studies vernacular As the contributing authors draw from recent empirical work around the globe the book provides fresh insights and innovative angles on the latest developments within fan cultures both online and offline Because the volume is specifically set up as companion for researchers the chapters include

recommendations for the further study of fan cultures As such it represents an essential reference volume for researchers and scholars in the fields of cultural and media studies communication cultural geography and the sociology of culture

target set for those 20 or so young ambitious hilarious and unkempt creators Lucasfilm Games™ soon to be LucasArts™ would become a legendary developer not least because it was within its walls that The Secret of Monkey Island™ was created in 1990 The best known of the Point Click adventure games Monkey Island earned its reputation from its world of colorful delightfully anachronistic pirates its trademark Monty Python style humor and quite simply the fact that it revolutionized a genre This book is an homage to the adventures of Guybrush Threepwood™ pirate extraordinaire But it also aspires quite ambitiously to explain why Monkey Island marks a pivotal milestone in the way stories are told through video games It's also an opportunity to look back at the tumultuous history of LucasArts and Telltale Games to discover some voodoo grog recipes to learn interactive pirate reggae songs to impress at a party of 40 year old geeks and to discover one liners as sharp as a cutlass great for duels and birthdays

The Saddharma-Pundarīka Or the Lotus of the True Law, 1884 **Enlightenment in Ruins** Michael Griffin, 2013-08-15 Oliver Goldsmith 1728 1774 moved between the genres and geographies of enlightenment writing with considerable dexterity As a consequence he has been characterized as a passive purveyor of enlightenment thought a hack a harried translator of the French enlightenment for an English audience an ideological lackey and a subtle ironist In poetry he is either a compliant pastoralist or an engaged social critic Yet Goldsmith's career is as complex and as contradictory as the enlightenment currents across which he wrote and there is in Goldsmith's oeuvre a set of themes including his opposition to the new imperialism and to glibly declared principles of liberty which this book addresses as a manifestation of his Irishness Michael Griffin places Goldsmith in two contexts one is the intellectual and political culture in which he worked as a professional author living in London the other is that of his nationality and his as yet unstudied Jacobite politics Enlightenment in Ruins thereby reveals a body of work that is compellingly marked by tensions and transits between Irishness and Englishness between poetic and professional imperatives and between cultural and scientific spheres
