Gayle,2022-02-08 From New York Times and USA Today bestselling author E M Gayle comes a dark and sexy enemies to lovers second chance MC romance Axel I gave her my heart She gave me a goodbye I never saw coming One day we were planning forever The next she was gone no explanation no trace For ten years I told myself she didn't matter That what we had was just a teenage dream Then she walked back into my world full of secrets and scars acting like she never shattered me Now there's blood in her past a target on her back and a job that forces me to stay close Too close She doesn't want my help Doesn't want to face what's still between us But I'm not that heartbroken kid anymore She ran from me once Not this time Amanda Axel was my first love my only love And the one person I could never go back to Not after what my father did Not after what I've done But the past doesn't stay buried The danger I left behind has found me and now he's standing between me and the war heading straight for me He doesn't trust me I don't blame him The boy I loved is a hardened man now stronger colder and determined to uncover every secret I've ever kept But the more he pushes the harder it is to keep my walls up And when the bodies start piling up I realize the biggest threat isn't the one hunting me It's the way one look from Axel still makes me want to risk everything **Scorched King** E.M. Gayle,2025-03-09 JD Leading Wrath MC has always come first And I swore I'd protect everything including her For two years I kept her close but never close enough She's too young too good too off limits Then I failed her A traitor got too close nearly killing her I should have seen it coming Should have stopped it Now she won't even look at me She says she's done That she's leaving But I can't let my guard down Not now Not ever She thinks I'm pushing her away She doesn't realize I'm holding on the only way I know how Because she's mine Sasha The MC took me in when I had nothing They gave me a home a family a purpose But loving them means loving him too And that's what hurts the most For too long I've let him keep me at arm's length Told myself it was enough Then the fire nearly took my life And suddenly everything changed Now I see him for who he is A man who never lets anyone in A man who won't stop fighting for what's his He wants to protect me But if he won't trust me Then there's nothing left for me to hold onto **Alex Takes** E.M. Gayle,2018-07-30 The exciting conclusion to the What Alex Wants Duet Lies Betrayal Danger LOVE is definitely a risk HARPER For one bright shining moment I believed in love but fate has once again decimated everything I thought I knew Now I've been thrust into the middle of a game I can't break free from To survive I will have to fight but when it comes to love I'd rather walk away than be humiliated again ALEX I am determined to get what I want at any price If I have to take it I will even if that leads me to a thing or two that are definitely illegal in the state of New York Not having Harper in my life is simply no longer an option For her I will crush anyone who gets in my way She is worth the risk Note This book should be read after What Alex Wants He Gets available now **Fierce** Eliza Gayle,2016-04-19 Don't mess with mama Creed Donovan hates being alone Fortunately for him there is no shortage of women who like a man with a dark side and the attitude to match He'll never take a mate because he already has one She just wants nothing to do with him or his kind Except at Club Diablo when she struts her body

seven nights a week at the pack's club for any man with cash. Which means he hasn't set foot inside since she rejected him. It wouldn't do for the head of pack security to be the one ripping out a man's throat for looking the wrong way at his mate. Dani's life is one mistake after another. First she's got medical bills stacking up and needs money now, but her time as an exotic dancer has an early expiration date and it's coming soon. Extra shifts for as long as she can get them are a no-brainer. Which leads to the second issue. She's tired of reliving the pain of her broken relationship with Creed every time she steps foot on Devil's Point. Add to that her feet hurt all the time and her body is no longer her friend. Especially when it aches to have Creed touch her again. She can't deny her taste for a certain bad boy, but the past has to stay in the past. No matter how good he smells.

FURY Eliza Gayle, 2017-08-28 New York Times bestselling author Eliza Gayle delivers the final standalone novel length conclusion to the Devil's Point Wolves series. A little fury never hurts. Until the FBI comes knocking. Sawyer didn't make it out of the destruction of Club Diablo without scars. Lots of them. They crisscross his body from head to toe. His pack is trying to help him recover, but between the smothering and the whispers, he's not interested. Once again, his life has been destroyed by hunters, and this time he doesn't want to start over. He wants revenge. He definitely doesn't want to babysit some Fed, no matter how many of his buttons she pushes. Penelope Bishop has always wanted to prove herself as one of the top profilers for the FBI, but she's had to struggle to get out of her father's infamous shadow. Finally, she's been given a chance to show she can handle a high profile case on her own. She's sent to Devil's Point Island to profile the suspect who planted an explosive in a strip club. Except what she finds doesn't fit any profile she's ever seen, and the local assigned to help her is more interested in the chip on his shoulder and what color panties she wears.
