Resources in Education ,1984 White Man's Justice Michael Lobban,1996 This major new study examines the use of political trials by the apartheid regime in South Africa against its opponents in the 1970s the decade when the ideology of apartheid was reaching its apogee After tracing the early history of the South African Students Organization and the Black People s Convention it shows how the state reacted to the threat posed by the black consciousness movement by launching a major trials of ideas using the notorious Terrorism Act It examines how at the same time the authorities sought to crack down on white dissent by prosecuting the leaders of the National Union of South African Students By making a detailed study of trial transcripts in addition to other materials it explores how the state sought to infiltrate and crush nascent ANC and PAC structures which were re emerging in the mid 1970s within South Africa It shows how the prosecution policy and the legal strategy of the state changed during the decade as the nature of the threats it faced altered culminating in the trial of the leaders of the Soweto Students Representative Council in 1979 for sedition Arguing that the political trial was perhaps the only venue where white ideology had to engage directly with black protest this original and thought provoking account demonstrates how the trials became platforms for competing views of society and politics which give a unique insight into the conflict between the political ideals held by blacks and whites in this era It also reveals how large a part politics played in securing the conviction of many dissenters and how large a part events beyond the courtroom played in the detention and torture of many activists **Lode Runner** Peter Otte,1994-12 An essential guide to Lode Runner an updated version of Lode Runner released by Broderbund in 1983 This new edition features graphics and new weapons Players can gather gold construct new levels and add backgrounds Features 150 levels *Debates of the Senate (Hansard)* South Africa.
