Turn A Word Document Into:

Word Hacks Andrew Savikas, 2004-11-22 As one of the applications in Microsoft Office Word is the dominant word processing program for both Windows and Mac users Millions of people around the globe use it But many if not most of them barely skim the surface of what is possible with Microsoft Word Seduced by the application s supposed simplicity they settle for just what s obvious even if it doesn t satisfy their wants and needs They may curse the wretched Bullets and Numbering buttons multiple times a day or take hours to change the font size of every heading in a lengthy report yet they re reluctant to dig deeper to take advantage of Word s immense capabilities and limitless customization tools Let Word Hacks be your shovel Let it carve your way into Word and make this most popular and powerful application do precisely what you want it to do Filled with insider tips tools tricks and hacks this book will turn you into the power user you always wanted to be Far beyond a tutorial Word Hacks assumes you have a solid working knowledge of the application and focuses on showing you exactly how to accomplish your pressing tasks address your frequent annoyances and solve even your most complex problems Author Andrew Savikas examines Word s advanced and often hidden features and delivers clever time saving hacks on taming document bloat customization complex search and replace Tables of Contents and indexes importing and exporting files tables and comments and even using Google as a dictionary With him as your guide you ll soon be understanding and hacking Word in ways you never thought possible Covering Word 2000 2002 and Word 2003 Word Hacks exposes the inner workings of Word and releases your inner hacker with it you will be equipped to take advantage of the application s staggering array of advanced features that were once found only in page layout programs and graphics software and turning Word into your personal productivity powerhouse

Word Annoyances Guy Hart-Davis, 2005-06-28 When most people think of word processing they think of Microsoft Word After all it has been around for more than 20 years practically an eternity in computer time But Word has also provided its users nearly everyone on the face of the planet with an endless supply of annoyances That is until now Word Annoyances offers to the point and often opinionated solutions to your most vexing editing formatting printing faxing and scanning problems It covers everything from installation and templates to tables columns and graphics For example learn how to stop Word from searching the Web for help and how to enter the same text easily in multiple parts of a document and keep it updated automatically It also provides a gentle introduction to the power of macros so you can slay your annoyances by the truckload The fixes will work with most versions of Word including Word 2000 Word 2002 also known as Word XP and Word 2003 Among the topics covered Deal with installation issues crashes and slowdowns and dispose of the Office Assistant either temporarily or forever Master templates numbering graphics hyperlinks tabs tables headers and other everyday annoyances Tame some of Word s wildest features such as Smart Cut and Paste Click and Type Mail Merge AutoCorrect and AutoText Printing Faxing and Scanning need we say more Learn to output and distribute your documents with confidence Need to work with other Microsoft applications or
