Total Surrender To The Will Of God:

Total Surrender Marguerite Breedy-Haynes, 2016-06-07 What would your life be like if you completely surrendered to the Holy Spirit God is seeking in these last days a people who would surrender all to Him allowing Him to showcase His glory to the world Many of God s children are not living up to the standards of His Son Jesus Christ and because they are controlling themselves they are leaving the earth without fulfilling their true potential in God Those who surrender to God operate in the realm of the Spirit in everyday life and can be clearly identified in the world today by the manifestation of God s glory in their lives Jesus surrendered himself to God s will and in this book I seek to encourage believers to do the same As this book was being written the words were coming from deep within my belly and the Spirit of God flowed through my mouth I know that those who read this book will experience the life changing presence of God which can change nations if only they would release themselves to Him When God has full control over the life of a person their life will never be the same I am a living testimony and I pray that you will allow God to do the same for you

Total Surrender Matthew Terrill, 2014-04-28 Why is it such a struggle for us to surrender everything to God What does surrendering to God even look like and how are we supposed to do it Why is it so hard for us to live the life that Jesus died to give us Is life really supposed to be one constant struggle after another One of the hardest things to do in life is to let go giving God everything and never looking back Laying it all down never picking it up is the only way we can walk through this dark unfair world shining and burning brightly for Jesus Wanting control over our lives is the struggle that many Christians face and the turmoil of that fight is constantly lurking deep in our hearts For many know what to do but few actually do it surrender When a person holds onto frustration bitterness and the injustices of life their pain slowly evolves into chains that hold him down disabling him to walk through life with peace love joy and compassion The only way to truly live is to die to our selfish nature every day and cast all of our burdens at the feet of Jesus

[The Point of Total Surrender](#) Jethena N. Mitchell, 2010-05 In order for us to live a life that is pleasing to our Father we must be willing to submit to the plans He made for us long before we were born This can become difficult considering we have worked very hard to build our world according to our own desires but it is possible Join me as we go on a journey to reach The Point of Total Surrender

Total Surrender Crystal L. Archibald, 2015-01-30 No one can deny that situations in the world today are become more catastrophic and the end times seem to be drawing closer with each new day However all hope is not lost whether for Christians or non Christians as confidence for the future ahead can be regained again in complete surrender to the Creator of each person the Almighty God So how does one go about giving everything in his her life over to God in surrender It s easier said than done but to Crystal Archibald author of the new book Total Surrender it is possible to lovingly give God one s life to be used for His purposes Our everything needs to be surrendered to God All of our hopes and aspirations should be totally embedded in God s will for our lives and although its much easier said than done it is a much better perspective Crystal pinpoints several avenues of sin where people can fall into temptation and agree to the devil s promptings to give into their fleshy desires and wishes She compares these examples of present day temptations people struggle with to what people from the Bible endured people who handled similar enticements but sought God for redemption Think of King David and his overwhelming desire to commit adultery with the married Bathsheba which led him down a dangerous path that was later redeemed by God The same with Paul as his sin led pursuit of killing Christians guided him to be saved by God and continue on a new path bringing people to Christ These miracles happen only when the person came to God in total surrender wanting His will for life instead of personal will Surrender doesn t have to be seen as giving up but giving towards a greater reason for life in God s ultimate plan for the world
